Follow this link to view our school annual calendar on the school website:

[Lawhead-Calendar-Session-2026-2027.pdf](#)

General Permissions:

Please take time to review the MS form link regarding general permissions for your child. Please complete this action by Friday 18 September, thank you.

[Lawhead PS - General Permission Form 2026 - 27 – Fill out form](#)

Fife Out of School Clubs:

The online booking system for the **October Holiday Club** and for the **November In-Service Day** is now open. Please follow the link to access the booking portal as well as the activity planners:

[Fife Out of Schools Clubs - October Holidays 2026](#)

The club will once again run from Balmullo OOSC.

September Number Challenges:

Each month we will share a range of maths challenges and game ideas to support pupil learning within number, money and measure. These are just for fun for you and your child to try out at home. Have a look at the suggestions below:

- Find and record 20 numbers around your home or community.
- Estimate then count the number of steps from one room to another.
- Spot the largest and smallest number you can find on food packaging – encourage your child to read it out loud
- Salute: This three-player game needs one deck of cards. Two players each hold a card to their forehead without looking at it. The third player announces the sum or product of both cards, and each player must figure out their own card using the total and the card they can see. This game builds addition, subtraction and multiplication fluency while teaching logical reasoning.
- 101 and Out: Players take turns rolling two dice and deciding whether to use the digits as a two-digit number or add them separately – rolling 3 and 5 could become 35, 53, or 8. Keep a running total, but if you exceed 101, you're out. This game strengthens strategic addition and place value understanding.

Learning French and BSL at Lawhead:

At the start of the school year, we always like to revise our colours and have started revising how to count in BSL. This helps the children when they select their lunch options on iPayImpact. If you want to practice at home here are some useful links:

- Colours In French: [LEARN FRENCH COLOURS / COLORS](#)
- Colours in BSL: [How to Sign Colours in British Sign Language \(BSL\)](#)
- Our BSL Assembly Song for Term 1: [Riptide- Vance Joy \(BSL\)](#)
- Counting in BSL: [LEARN BSL: Numbers. Learn how to sign numbers 1 to 20 and more in British Sign Language!](#)
