

Consent: What is consent?

- I can describe what consent means to me.
- I know that I, and others, can use words, body language and facial expression to communicate what they like and don't like.
- I explain the idea of personal space.
- I can explain that my body is *my* body.
- I can name an adult/adults I go to if I have a worry.

Consent

Consent

Consent means asking someone's permission to do something.

Consent

- If the person says **yes**, they have given their consent.
- If the person says **no**, they have not given consent.
- If a person is **not sure**, or does not say 'yes', then **this is not consent**.
