

# LIMEKILNS PRIMARY SCHOOL

## & NURSERY

**HT Update Term 2 2024/25**

**14/11/24**

- Staff would like to extend a huge thank you to everyone for their continued support and understanding regarding the sudden loss of Mrs Ollis to our school community. We are continuing to support our children and each other as we navigate through this difficult time.
- Our teacher vacancy to cover Mrs Ollis is being advertised and we will keep children and families updated. It is likely a new teacher will not be starting until the beginning of term 3.
- Parent/carer conversations with teachers went well last week and we will continue using the hall to do this.
- Thank you to everyone for their feedback on naming our houses, we're looking to finalise the house names and name our Captains/Vice-Captains by the end of term.
- Permission has been granted to install a wall between P4/5 and P5/6, we are currently awaiting someone coming in to cost the installation and give us timescales.
- Staff consultation on residential trips have indicated staff would like to continue with accessing this on weekdays rather than a weekend. We have therefore booked in Ardroy for sessions 25/26 and 26/27. We will undertake a community consultation in session 25/26 to evaluate how we move forward after 2027.
- Our nursery team have recently been inspected by Care Inspectorate and we received four very good grades, which is excellent news! This is an improvement on our last inspection in 2022 when we received four good grades. The report will be published in December 2024.
