

Nursery Improvement Plan 2022/23

Here are our priorities for this session and what we will do to take them forward.

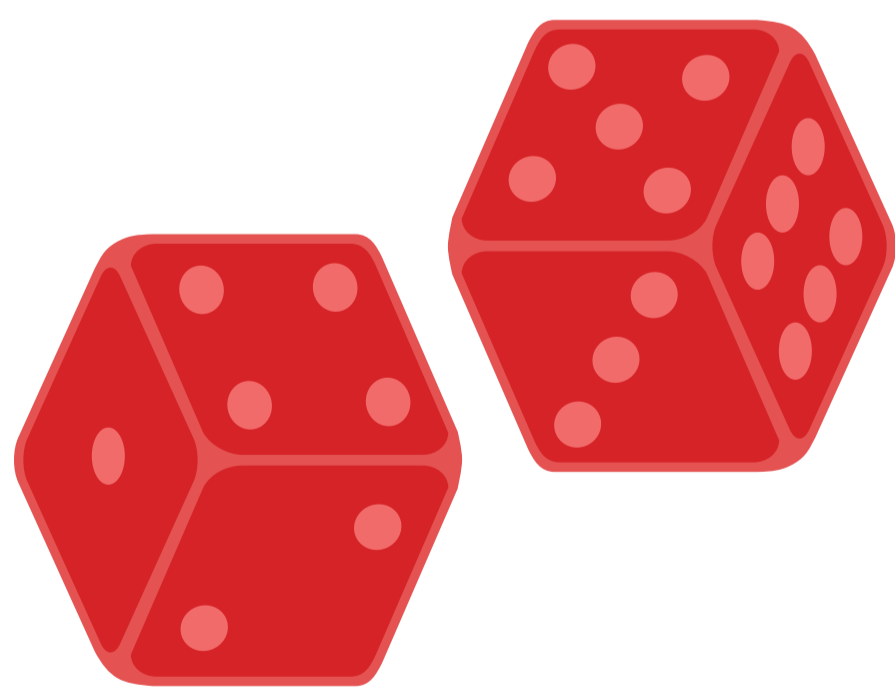

1

Develop and enhance our knowledge and skills in numeracy and maths

Enhance our numeracy and maths provision

Take part in professional learning

Develop our children's counting skills

2

To ensure all our children are happy, safe and included

Develop use of our 'Fix-it folder'

Use the Circle framework to enhance inclusion

Use of Emotion works to promote positive wellbeing

3

Involve children in genuine participation

Incorporate 'language of rights' in interactions

Value children's voice in decisions

Take part in professional learning
