Our vision is Working Together, Learning Together and Achieving Together, underpinning this are our values, which are Respect, Responsibility and Relationships and our aims, which we recently (Jan 2025) aligned with the Wellbeing Indicators (Safe, Healthy, Achieving Nurtured, Active, Respected, Responsible, and Included.) At Lochgelly South Primary School, we understand the necessity of removing the Cost of the School Day, so poverty is less of a barrier for our young people accessing and engaging in the full programme of learning and experiences available. We examine the school day to try and ensure equity across the following areas: uniform, travel, learning, friendship and community, school trips, eating, clubs, and home learning. To mitigate against costs, we - Make appropriate applications to access additional funding. - Fundraise so costs are spread across the community. These are also not mandatory and are planned to avoid the costly times of the year. - Work with local charities and businesses so we receive surplus resources for our children and families. - Ensuring that free sanitary wear is readily available to our parents, young people, and staff. - P6 & p7 have access to 'Care Boxes', so our young people have access to personal care items. - We have a bank of underwear, uniform, and tights/socks that children can access as required. - FairShare Thursday – provides access to heavily discounted food. - Regular uniform, costume, Christmas jumper, and book swaps.
