

Learning across the four contexts at MPS – Term 1

Opportunities for personal achievement

Health and Wellbeing – this term pupils will learn to develop a growth mindset and resilience by exploring how to stay positive, embrace challenges and learn from mistakes. Pupils will also learn how to develop healthy friendships and solve conflicts respectfully.

PE – our indoor gym is on a Tuesday with Mrs Vimpany, during this slot we will cover a block of Netball. Our outdoor gym slot will be on a Friday with Miss Pitt and we will cover Basketball.

Achievements linking to our school values will be celebrated each week in assembly.

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

Class responsibilities – with an aim to develop more independence, we have set up class jobs to ensure our classroom is a safe and tidy environment for learning.

Harvest Assembly – this will take place on Wednesday 8th October. Pupils will learn and practice songs that will be performed at the assembly.

Ethos and life of the school as a community

Interdisciplinary Learning

This term our topic will take us on a journey through the rich world of Scottish Myths and Legends. We will pin our focus on exploring different sources to find information and discovering how some myths and legends have shaped Scotland’s identity. Through discussion with pupils, they agreed that we would achieve this through ICT research, junk modelling, presentations and using our literacy skills.

Literacy – our IDL topic will link into our literacy learning through our class novel ‘First Aid for Fairies and other Fabled Beasts’. We will have a big focus on improving our confidence in spelling. Increasing our use of VCOP will be our focus for writing during the term, through imaginative writing.

Numeracy – we will be strengthening our understanding of place value through developing confidence of working with numbers up to 1,00,000 and decimal numbers.
