

Opportunities for personal achievement

Health and Wellbeing: This term we will have a big focus on Emotion Works. We will explore the 7 cogs through watching Christmas adverts. This will help us to be able to identify our emotions and know how to handle them.

Christmas Café: P5/6 is looking forward to welcoming you to the Christmas Café on Tuesday 16th December. We will be working super hard to practice and perform some songs.

Assembly: Each week in assembly, 2 pupils will be recognised for their efforts.

Shared Finish: Mrs Vimpany is looking forward to welcoming you into the classroom during our shared finish on Tuesday 11th November.

School Values: Pupils are reminded of their school values everyday and are supported to achieve these in the classroom and around the school.

Ethos and life of the school as a community

Interdisciplinary Learning

Topic: We are continuing on with our topic of 'Scottish Myths and Legends'. Pupils showed a great deal of interest in this topic and are excited to continue hearing stories of Scottish Myths and Legends. As the term progresses, we will move our focus on to Christmas where our focus will be more on the Expressive Arts – creating art displays and performances for our Christmas Café.

ICT: Our P6's are looking forward to getting their individual iPad's on November 21st.

Writing: Our writing focus this term will be on discursive and report writing. We will explore the language features of a discursive piece and work to create balanced arguments. Pupils will also participate in the Christmas writing competition – the focus being A Very Memorable Christmas!

Numeracy: In Numeracy, we will focus on addition and subtraction using 3,4 & 5 digit numbers and decimal numbers. This will include different mental strategies to help us problem solve.

Curriculum areas and subjects

The Curriculum

'the totality of all that is planned for children and young people throughout their education'
