

# Learning across the four contexts at MPS – Term 3

## Opportunities for personal achievement

**Wellbeing:** During Term 3 we will cover the substance misuse topic, pupils join their own cohort for this.

**Assembly:** We will continue to recognise 2 pupils each week for their efforts in class and school during Assembly. Certificates are issued for showing our school values and star writer.

**Scots Poems:** Pupils will choose one Scots poem to learn and recite in January, this will form part of our Listening and Talking Assessments. They will recite this in class and have the opportunity to be chosen to recite it in Assembly on Friday 12th January.

**Enterprise:** To raise funds for the Primary 7 Area in September, our class will be participating in an Enterprise. This links in well to the Fife Diploma of Achievement and we are very excited to get stuck into this. There will be more information regarding this to follow soon.

**Shared Start:** We have a shared start on Thursday 5<sup>th</sup> March where our pupils will be able to share their recent learning with you all. We can't wait to have you back in the classroom!

## Ethos and life of the school as a community

## Interdisciplinary Learning

**Topic:** We will begin a Space School topic during Term 3 where pupils will get to explore stories about the big bang, our solar system and distant galaxies. This is a very exciting topic with many STEM links!

**ICT:** Pupils will continue to engage with their 1-2-1 iPad's and Chromebooks during the term. This term, P6's will also start to bring their iPad's home at the end of each school day and will be responsible for ensuring it is fully charged for the next day.

### The Curriculum

'the totality of all that is planned for children and young people throughout their education'

**Numeracy:** In Numeracy this term, we will continue with our four operations topic and focus on Multiplication and Division. This will include decimals and mental and formal strategies.

**Writing:** We are looking forward to beginning a topic on Poetry writing, looking at the features of a good poem before moving on to learning how to write a personal letter.

## Curriculum areas and subjects
