

Opportunities for personal achievement

Assembly- Weekly opportunities to be rewarded with a certificate in assembly for being star of the week, a rights-respective pupil or following the school values.

Wider achievements – On a Monday, pupils can share wider achievements with the class and at assembly.

HWB – This term, we have Anti-Bullying Week and Road Safety Week which will both be a focus for our learning.

Interdisciplinary Learning

Topic - Our topic this term is The Alien has Landed is coming to an end. The children enjoyed teaching Sporkle about Markinch.

Celebrations - We have a busy term with lots of fun festivities to look forward too. We will be learning about the Nativity Story and learning to sing the songs and play instruments as part of a performance. We have also been learning about different celebrations across the world and will continue across the term including Halloween, Diwali, Guy Fawkes and St Andrew's Day.

Outdoor Learning – We will enjoy taking part in Outdoor Classroom day where we will take part in activities which help to develop our listening and communication skills.

The Curriculum

'the totality of all that is planned for children and young people throughout their education'

Seesaw- Regular learning will be shared to Seesaw for you to see what we get up to and the progress we are making.

Class responsibilities – In class, we are continuing to carry out our jobs so that we can support each other.

Shared Finish- We look forward to welcoming you into our class this term to share our current learning.

Christmas Café – We look forward to welcoming you to the Christmas Café on Tuesday 16th December. We will be working super hard to practise and perform some songs.

Literacy- We are continuing to focus on sentence structure and how to make a sentence more exciting by adding adjectives and connectives.

Numeracy- We will continue to build on our understanding of place value and move onto addition and subtraction. Beyond number we will be looking at measure and money.

HWB- in PE we will be focussing on gymnastics and the ways we can safely travel, roll and jump. We will then move onto Social Dance.

ICT – We will be introducing various websites to support our learning and learning how to log in to these independently.
