

Markinch Primary School Improvement Plan 2026-27

ATTAINMENT AND ACHIEVEMENT

Wider Achievement:

Develop a whole school framework for wider achievement and leadership and enhance pupil voice and participation.

Self-management	Social Intelligence	Innovation
Focusing	Communicating	Curiosity
Integrity	Feeling	Sense-making
Adapting	Collaborating	Creativity
Initiative	Leading	Critical thinking

LEARNING AND TEACHING

Reading:

Further develop learning, teaching and assessment approaches in Reading with a targeted focus on strengthening non-fiction reading.

Further develop our approaches for developing reading for pleasure across ELC and School

Further enhance our literacy rich environments

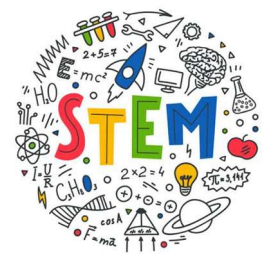

LEARNING AND TEACHING

STEM:

Audit and evaluate current practice of STEM across the school and ELC

Develop a coherent culture of high-quality learning and teaching in STEM across the school and ELC

P4 – P7 pupils to participate in STEM Space School project developing their spatial reasoning skills in maths.

Every child should have the chance to develop their spatial reasoning skills

The STEM SPACE Project is a Scotland-wide initiative giving pupils chances to develop spatial reasoning skills through activities embedded in typical maths lessons.
