MASTERTON NEWS

DESIGN: THANA MITCHELL

OCTOBER 2025

Masterton Mile

Back in June when the Masterton Mile took place I made the point of saying that I would ask the pupils what they wanted the money raised spent on. Classes have been asked and we are currently processing the wide variety of ideas from the pupils. There have been some great ideas as well as some, how shall we say, more extravagant ideas (motorbikes for everyone and a robot are possibly just a bit too extravagant.....)!!

However, I am working through the list and will start to purchase equipment so pupils begin to get the benefit of it as soon as possible.

IN THIS ISSUE:

- Staffing
- School Improvement Plan
- Transforming Learning
- Mental Arithmetic
- Right Respecting Schools
- Parent Council
- Change in Education

I thought it worth listing the staff for this session as I don't think I sent out an update after we returned from the summer holidays. I have updated it on the school website.
