

FET

SENIOR: RHIANN GRIEVE

PARENTAL INFORMATION

THE TEAM

The Family Engagement Team (FET) is a centralised team within Fife Council's Education Service, who can support young people who are struggling to consistently attend school.

ATTENDANCE SUPPORT WORKERS (ASW)

Work with pupils from P7 to S3/S4 in school to support their mental wellbeing and capture their voice. ASWs can also support with regulation, assessments, and being a link between school and home.

FAMILY SUPPORT WORKERS (FSW)

FSWs work with a whole family approach for P1-P6s, helping to create structure at home and developing parenting strategies which can be shared with school.

WHY YOUR CHILD MIGHT BE REFERRED

- Attendance between 60%-80%
- Struggling to engage with learning
- Unexpected dips in attendance
- Pattern of unauthorised absence
- Limited support from other services
- School feels that your child may benefit from specialised support

NEXT STEPS

If your child is referred to the team, the Senior Family Support Worker, Rhiann, will be in touch via text or email, to discuss how the service can best assist your family.
