Cost of the School Day (In what key ways do you plan to mitigate against Costs within the School Day)	
<p>Mountfleurie Primary School recognise the need to reduce the Cost of the School Day for all our children and particularly for our children who are already experiencing poverty.</p> <p>We look closely at the school day through uniform, trips, eating, home learning, after school clubs and the community around us. We have a breakfast club every morning (after 9am) which is funded by Stephen's the Bakers (this has now been funded for the past 5 years). We have a pre-loved school uniform rail where parents can pick up clothes for free. In recent years, we have sought funding from Cash for Kids to provide school trips for a minimal cost to families. We provide free after school clubs available to all children from Primary 1 – Primary 7.</p>
