Cost of the School Day statement	<p>Mountfleurie Primary School recognise the need to reduce the Cost of the School Day for all our children and particularly for our children who are already experiencing poverty.</p> <p>We look closely at the school day through uniform, trips, eating, home learning, after school clubs and the community around us. We have a breakfast club every morning (after 9am) which is funded by Stephen's the Bakers (this has now been funded for the past 5 years). We have a pre-loved school uniform rail where parents can pick up clothes for free. In recent years, we have sought funding from Cash for Kids and Dynamic Earth to provide school trips for a minimal cost to families. We provide free after school clubs available to all children from Primary 1 – Primary 7.</p> <p>We strive to make coming to school affordable for all through making things accessible for all. We actively seek out funding opportunities to allow some of our most vulnerable children to be included.</p>
