Health and Wellbeing

In Health and Wellbeing, we intend to …

- discuss road safety and learn how to stay safe.
- work to improve our fitness and set personal goals.
- learn about yoga through linking poses and skills to create movement patterns and sequences.
- talk about 'big deals' and 'little deals' and realise the way we think can affect how we feel.
- think about how to show kindness to ourselves and others.

Expressive Arts

In Expressive Arts we intend to …

- practise performance skills in our class assembly.
- use instruments to match a stimulus.
- Work together to keep a steady beat.
- give feedback on performances.
- explore primary and secondary colours, create texture using a range of media to create a range of artwork.
- use lines, shapes, and patterns to create artwork using a range of media.
- create detailed repeating patterns in our artwork.
- explore and combine different materials and textures through seasonal artwork.

Religious and Moral Education

In **RME** we intend to ...

- learn more about the Christian Nativity story and explore more about the Wise Men.

Modern Languages (French)

In Modern Languages we intend to …

- talk about birthdays, make cards and sing songs.
- learn numbers to 31.
- learn phrases for Christmas.
- find out about French traditions for birthdays and Christmas time.

Numeracy and Mathematics

In Numeracy and Mathematics we intend to ...

- work on addition within 100 and to 1000 for some.
- learn about 2D and 3D shapes.
- talk about faces and cross sections.
- recognise repetitions of shapes and objects in patterns.
- Learn about historical number systems and how to use tally marks.

Newport Primary School

Webplan for Parents/Carers/Families

Class: P3

Teacher: Mrs Meiklem and Mrs Robertson

Term: 2 (2026-2027)

Literacy and English

In Literacy and English we intend to ...

- present an individual talk and respond to questions.
- make predictions answer comprehension questions about a range of texts.
- find information and make simple notes from non—fiction texts.
- write instructions and create flow charts.
- create winter sense poems and write imaginative stories.
- work on common words and spelling rules at our own level with a spelling partner.
- learn to use more complex connectives and when to use a/an. They will also consolidate using question marks, exclamation marks and other punctuation within their writing.
- start practising joins in handwriting.

Science

In Science we intend to …

- Understand that characteristics are inherited from parents and passed through generations.
- Compare inherited characteristics across generations in humans and other animals, recognise that there are similarities and variations within families, and characteristics can sometimes skip generations.
- Explore and record our own inherited characteristics.

Social Subjects

In Social Subjects we intend to …

- talk about the characteristics of the local environment.
- think about how to care for our school and local environment.
- look at housing and the use of the local landscape.
- explore different maps.
- cand contrast to another country.

Technologies

In **Technology** we will focus on the **Craft, Design, Engineering and Graphics** curriculum organiser. We intend to …

- explore and experiment with digital sketching and drawing methods to represent ideas (shapes, colours, pattern, texture, representing 3D shapes)
- access menu options on the netbooks.
- explore sending emails and writing blogs.
- discuss conserving materials and the impact on the environment.
