

# Strategies to support Numeracy PAL

## Counters

Your buddy can solve the calculations using counters to help them.

## Fingers

Your buddy can put the number 'in their head' then count on using their fingers.

## Counting objects-

Use the pictures on the card or dots on the dice and ask your buddy to count them. And ask them 'How many more do you need to make.....?'

## Number line/Number square

Your buddy can use these to 'count on'. Always make sure they start at the right number and move the correct way.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
