

Staff will improve the children's learning environment by providing resources to play creatively, developing their literacy skills

We are helping our children learn literacy skills in lots of different ways

We will support all children to challenge and believe in themselves

All staff will be learning more about Children's Rights and ways to help children learn through their rights

What are we doing to improve Paxton Nursery?

We will be sharing your child's learning targets with you so you can help support your child at home

We will plan learning activities using the Rights Captains

All children will feel valued, respected and included in all areas of the nursery
