Cost of the School Day (In what key ways do you plan to mitigate against Costs within the School Day)		
Pitlessie Primary School recognise the need to reduce the Cost of the School Day for all our young people. We have gathered feedback from our families on the main financial pressures and focussed our interventions around supporting within the following areas: - Uniform – uniform recycling service - Clubs and activities – all run at no cost. - School excursions (apart from P7 Residential) all run at no cost. We have started to make extensive use of our national pupil entitlement cards to provide transport to allow us to take learning out with our village boundaries. - Fundraising events – minimised the number of these events, share dates at the start of the session to provide notice and moved to a pay what/if you can format for all activities e.g. Red Nose Day, Children in Need. Due to the size of our school, we have moved to grant applications to support improvement work such as Outdoor Learning and Digital technology. - Information Sharing – created and share biannually a sway containing handy links and information for any family experiencing financial difficulties.		
Stakeholder engagement (in what ways have you engaged with your stakeholders – learners/parents/community etc.)	Participatory Budgeting (Are you using any of your PEF allocation to support participatory budgeting. If yes, what is the focus?)	
- Parent wise and Pupil wise Surveys. - Annual feedback questionnaires. We ask families to identify their priorities for the coming session. - Our work in this area is a standing item at Parent Council and feedback from parents and carers is sought at these meetings.	Yes. We have also allocated £500 to support an intervention chosen by Parents and Carers which targets identified appropriate aspects of our PEF planning for improvement.
