

## Pittencrieff Primary School Improvement Priorities 2023/24

### Conceptual Numeracy

- Audit of staff knowledge and audit of school resources
- CPD opportunities for staff
- P7 Quality Improvement involvement at Cluster
- Conceptual numeracy workshop for parents
- Staff visits to other settings where conceptual numeracy is embedded in practice
- Opportunities for all colleagues to plan, moderate and create conceptual numeracy activities and resources
- Learning Partnership focus on conceptual numeracy

### Parental Engagement

- Whole community consultation
- Community Relationships and Behaviour Charter
- Improved communication through Seesaw, calendar of events, weekly Sway and questionnaires
- Termly AM/PM focused Family Time sessions and P1-P4 reading sessions
- Continued focus on reading at home
- Homework consultation
- Increase community links with use of church space, parent support in outdoor learning and class assemblies
- Class led Big Breakfast
- Shared learning in jotters during parental consultation

### Digital Culture

- Audit of staff knowledge
- Audit of current resources
- CPD opportunities for staff
- Update of some equipment and plan for sustainability (PC refresh and SMART TV)
- Whole community consultation on a Digital Charter
- ICT Family Time focus
- Embedding of PICT planning and resources
- Develop ICT suite
- Develop leadership opportunities in ICT (ICT crew)
- Ensure full use of government funded laptops
