

Pittencrieff Primary School Improvement Priorities 2024/25

Conceptual Numeracy

- Audit and sharing of staff knowledge and use of new school resources
- CPD opportunities for staff around the Quality Improvement approach
- Parent workshop/learning on conceptual numeracy
- Staff visits to other settings where conceptual numeracy is embedded in practice
- Opportunities for all colleagues to plan, moderate and create conceptual numeracy activities and resources
- Learning Partnership focus on conceptual numeracy

Digital Culture

- CPD opportunities for staff
- Update of some equipment and plan for sustainability (class ipads)
- Whole community consultation on a Digital Charter
- Staff SERC training
- ICT Family Time focus
- Embedding of PICT planning and resources
- Develop ICT reporting and use of Progress
- Develop leadership opportunities in ICT (ICT crew)
- Ensure full use of government funded laptops
- Ensure technology is reflected in the Curriculum Rationale
