

Pittencrieff Nursery Improvement Priorities 2024-2025

Conceptual Numeracy

- Audit of staff knowledge and audit of nursery resources
- CPD opportunities for staff
- Conceptual numeracy workshop and stay and play focus for parents
- Staff visits to other settings where conceptual numeracy is embedded in practice
- Fixed item on weekly team meeting agenda of exploring Experiences & Outcomes linked to conceptual numeracy
- Messy Maths used as a core resource for staff development, evaluation, improvement
- Opportunities for all colleagues to plan, moderate and create conceptual numeracy activities and resources

Digital Culture

- Audit of resources and update of some equipment to plan for sustainability (ipads)
- CPD opportunities for staff
- Develop staff leadership opportunities in ICT
- Whole community consultation on a Digital Charter
- Staff visits to other settings where digital experiences are embedded
- Staff SERC digital training sessions
- Embedding of PICT planning and resources
- Parent/carers stay and play sessions focusing on sharing progression in technology
- Staff will develop confidence in planning for technology experiences
- Ensure technology is reflected in planned next steps
