FIFE COUNCIL EDUCATION SERVICE

WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children’s Services Directorate, our vision and what we stand for is “**Improving Life Chances for All**”.

THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Our approach towards “**Improving Life Chances for All**” is founded on the values of Compassion; Ambition; Respect and Equality as we develop the capacity of young people to become:

- Successful learners
- Responsible Citizens
- Confident Individuals
- Effective Contributors

The four priorities of the Education Service are Educational Outcomes, Employability skills, Equity and Equality and Enhancing Opportunities for Vulnerable Groups and Individuals.

The themes supporting the 4 priorities are shown below.

Educational Outcomes focusing on	Employability Skills focusing on
<ul style="list-style-type: none"> ● Improving Outcomes for Learners including a focus on raising attainment in Literacy and Numeracy ● Developing Excellence in Learning and Teaching ● Building an excellent Curriculum 	<ul style="list-style-type: none"> ● Universal learning programmes to ensure all young people learn about careers and develop recognised employability skills ● Focussed programmes to ensure particular groups are guided towards specific careers, especially as they enter the senior phase ● Targeted programmes of learning to ensure we make effective provision for those most at risk of finding a negative destination when leaving school
Equality and Equity focusing on	Enhancing Opportunities for Vulnerable Groups and Individuals Most at Risk
<ul style="list-style-type: none"> ● Breaking the cycle of disadvantage including reducing the attainment gap ● Early Years ● Supporting children, young people and families 	<ul style="list-style-type: none"> ● In our focus on Educational Outcomes, Equality and Equity and Employability we will target our work towards improved outcomes for disadvantaged groups and those individuals most at risk

These priorities and themes and the associated actions are described in the Education Service Plan and are reflected in the work of the school.

The information contained in this booklet refers to the current school year and is accurate at the time of publication.

We hope this information will be helpful to you and will answer many of your questions about the school. Should you have any further enquiries, please do not hesitate to call in at the school where we shall be pleased to help you.

Dear Parent

Thank you for taking the time to read our school booklet. It provides much information about Pitteuchar East Primary School and Nursery.

At Pitteuchar East, our core values as an establishment are Nurture, Compassion, Inclusion and Respect. Our school motto is "It's all about the bairns", which sums up our philosophy towards our young learners. We celebrate diversity amongst our learners, as well as our learners' achievements out of school.

We promote good behaviour and a positive attitude to learning, and have high expectations of all our young people. We create opportunities for children to learn in active and exciting ways and use Outdoor Learning and STEM (science, technology, engineering and maths) to engage learners.

Our school website gives more information on our school, and you can access this on www.fife-education.org.uk/europe/pitteuchareast/

We welcome your child to the school, and hope that you will contact me should you have any questions or concerns. Your interest and support will always be valued as we become partners in your child's learning.

Yours sincerely

Mrs Jennifer Knussen
Headteacher

SCHOOL ETHOS

- At Pitteuchar East Primary, we work to create a climate of mutual respect and openness. We want everyone to work together, to ensure our learners, staff and parents benefit from a culture which promotes self-esteem, and recognises rights and responsibilities. Promoting a positive ethos is not simply a way to get children to work hard and behave well in school. It should also encourage children to be successful learners, responsible citizens, effective contributors and confident individuals, in school, out of school and throughout the rest of their lives. This should encourage children:
 - To treat others with respect, kindness, fairness, courtesy and compassion.
 - To treat their environment with respect.
 - To be aware of the impact their actions have on other people, and on themselves
 - To take responsibility for their own actions.
 - To celebrate diversity and be respectful of people's differences.

We celebrate children's achievements, in and out of school, at our weekly assemblies.

- Pitteuchar East Primary values its strong links with St Margaret's Church.
- Good behaviour is celebrated at Pitteuchar East. Our Relationships Policy (which includes our anti-bullying and anti-racism stance) is available to view on-line. This policy was created by staff, pupils and parents. All staff have had 'Respect me' training and practice Restorative Approaches.
- We value our role in the community, and work with local agencies, our community centre, local library and shops to support and extend our pupils' learning. We invite all our stakeholders to contribute to the work of our school, through parent volunteers, our Parent Council and regularly invite parents/ families into the school to share their child's learning, or to consult them on the work of the school.

Other Information

- If you have any concern or question, regarding your child, please contact the school office to arrange an appointment with your child's Depute Headteacher, or with the Headteacher. We do try to see parents as quickly as possible, and appreciate you contacting us early to raise our awareness of any concerns or questions you may have.
- If you are offered a place, or are seeking a place for your child, you are more than welcome to visit our school in advance of your child enrolling. For nursery children, this will be included in our arrangements, towards the end of your child's last year in nursery. For any other parent enrolling a child, please contact our school office to arrange a time for a visit.

NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with them to sort out any further help, advice or support if they need it.

The Named Person for your child is Mrs Jennifer Knussen.

Navy sweatshirt and a red poloshirt with the school badge are available in all sizes from Tesco online. By ordering through this service, your child's uniform is delivered to you. Almost all children now wear full school uniform, and there have been many positive comments from parents/ visitors to the school on this recent improvement. ENROLMENT

Children who reach the age of 5 on or before 17 August 2020, must normally start school in August 2020. Children who reach the age of 5 after August 2020, but before 29 February 2021, may also start school in August 2020, though parents are not obliged to send their children to school until the first entry date after their fifth birthday.

Parents of children in either of these categories are asked to enrol their child at their catchment school before Friday, 31 January 2020.

Choice of School

Parents have the right to make a placing request for the school they wish their child to attend. This applies whether the child is about to start school or whether he/she is already attending primary, secondary or additional support needs school. Parents wishing to send their child to a school other than the catchment school should apply to the school of their choice as soon as possible and, in any case, before 15 March 2020. Parents must also enrol their child at their catchment school to ensure a place is available if a placing request application is refused.

Headteachers must provide information to parents on how to make a placing request for the school of their choice. In the case of children starting school for the first time 'Choosing A School – A Guide for Parents' is available online at www.scotland.gov.uk. Individual school booklets will be provided by the Headteacher of individual schools and can be accessed online at www.fifedirect.org.uk. School catchment areas can be accessed online at www.fifedirect.org.uk/catchmentchecker

APPLYING FOR A NURSERY PLACE FOR YOUR CHILD

From August 2020 the number of funded hours of early learning and child care for all three and four year olds as well as eligible two year olds will almost double to 1140 hours a year. This will provide families with greater choice and flexibility over how their child care needs are met. In order to ensure every three and four year old child has a nursery place, every child attending nursery between August 2020 and July 2021 needs to submit an application to their preferred preschool setting/s between 6th and 31st January 2020.

Three and four year old intakes

What are my options for early learning and childcare?

Fife Council are providing the following three options in your local area.

1. Term time (38 weeks a year) – 5 days a week, Monday to Friday from 9:00am to 3:00pm.
2. Full Year (46 weeks a year) – 2 ½ days a week, Monday/Tuesday full days from 8:00am to 6:00pm, and Wednesday morning ½ day from 8:00am to 12:48pm or Wednesday afternoon ½ day from 1:12pm to 6:00pm, and Thursday/Friday full days from 8:00am to 6:00pm.
3. Full Year - (49 weeks a year) – ½ day sessions - Monday to Friday morning sessions from 8:00am to 12:40pm or Monday to Friday afternoon sessions from 1:20pm to 6:00pm.

You may also access your funded 1140 hours early learning and child care from a private

nursery or play group or childminder in partnership with Fife Council. It will also be possible to share hours between different early learning and child care providers.

Extended and wraparound early learning and childcare will also be available in some nurseries where there is capacity. You will be informed if this is available in your nursery once you have accepted a place for your child. You can then choose to pay for additional hours over and above your entitlement, where this service is available.

You are asked to provide five choices on your application form as some nurseries or session times may be oversubscribed. In the event we are unable to offer you your first choice, we will then look at your other nursery choices to see if we can offer you one of these.

An admissions policy is in place to ensure fairness when allocating places – this can be found at www.fife.gov.uk

Applications for Fife Council nurseries for three and four year olds must be received by the 31st January 2020 in order to be included in the process which allocates places for the following academic year. Late applications received on or after the 1st February 2020 will not be considered until after the full application process has taken place for this age group.

Applications for private nurseries, play group and childminders in partnership with Fife Council should be made directly with individual establishments and services.

Families with children who currently attend nursery and are due to return for their preschool year in August 2020 will be eligible for 1140 hours of funded early learning and child care. Therefore, families who wish for their child to attend a Fife Council nursery will be required to make a new application for their child in January 2020.

When should my child start nursery?

- Nursery intakes take place three times during the academic year. If your child was born between 01/03/2017 and 31/08/2017, they will be eligible to access funded ELC from August 2020.

Applications for any of the above intakes must be made in January 2020.

How to apply

Application forms are available from all Fife Council nurseries, local council offices or online at www.fife.gov.uk. Applications should be returned to your first choice nursery, along with any proof requested. Applications must be received by 31st January 2020 for any child who will be attending a Fife Council nursery between August 2020 and July 2021. You will be notified in April by the school or nursery to advise you of where you have been offered a place.

The Food in Schools group has developed a Healthy tuck shop/Vending policy which gives schools guidance on suitable products for inclusion in a healthy tuck shop initiative.

CURRICULUM

Fife schools follow Curriculum for Excellence, a national framework which is providing our children with learning experiences and opportunities to prepare them for learning, life and work in a changing world. Children learn actively in eight different curricular areas following a curriculum designed by each school to reflect their particular needs and circumstances.

All schools follow the same principles in designing the curriculum, aimed at ensuring that children have the experiences and opportunities to become –

- Successful Learners
- Confident Individuals
- Effective Contributors
- Responsible Citizens

Literacy, numeracy and health and wellbeing are addressed throughout the curriculum and children's wider achievements are fully recognised and celebrated, reflecting the value given to wider learning and children's experiences out of school.

Children are fully consulted throughout their learning and in decisions about what they learn and how they learn it. There are opportunities throughout the school year for parents to receive information and be consulted upon the curriculum children are following, particularly in relation to more sensitive aspects of learning.

Religious and moral education is a core subject for all pupils attending primary and secondary schools in Scotland. Schools also provide opportunities for religious observance in order to promote the spiritual development of the school community. Parents can choose to withdraw their children from participation in religious education or religious observance. Parents wishing to do this should contact the headteacher. The school will make arrangements for pupils to participate in a suitable alternative activity.

Further information about the curriculum is available on the school website, and more general information regarding Curriculum for Excellence can be found at Parentzone (<http://www.educationscotland.gov.uk/parentzone>), a national resource developed by Education Scotland on behalf of the Scottish Government.

- Each year, Primary Six and Seven have the opportunity to take part in a residential Outdoor Education week. This is usually very well attended, and the children benefit greatly from this experience.
- We have a very active Learning Representatives at Pitteuchar East. Weekly Learning Rep meetings are attended by the Headteacher.
- We welcome parents to share their child's curriculum and learning in a variety of different ways, including Shared Starts, Open Events and through children's Learning Logs/ online blogs on GLOW (your child has a unique username and password for their individual blog).
- Our curriculum is planned to support Curriculum for Excellence. Our Curriculum Rationale is available on line.

ASSESSMENT AND REPORTING

Assessment

Broadly, across Fife primary schools two forms of assessment are used to support your child's development:

Summative assessment- which focuses on measuring current performance in terms of how successful the learner has been measured against national benchmarks, and formative assessment which gathers information about pupils' learning which is then used to help plan next steps in learning. Both types of assessment help teachers improve their teaching and the support they give to their pupils.

Summative assessment takes the form of standardised classroom based tests which measure how well your child is performing for their age and stage. Their purpose is not to compare your child with others but to provide the school with information to ensure that your child's learning needs are being addressed.

Formative Assessment is an integral part of your child's day to day learning and provides a range of information to support your child in moving their learning forward. This less formal assessment takes many forms including observing children's engagement in classroom tasks and providing individual feedback to pupils to support them in identifying their own next steps in learning.

Within our school, we engage in continuous assessment, to ensure children are challenged and supported in their learning. We do this in a number of ways, to ensure we build a very clear picture of our learners.

Children also get the opportunity to assess their own work, and that of their peers, in a supported and structured way. Children's evaluations of their progress are continually sought, and are shared with parents/ carers through their on-line blogs or 'Learning Log', a book sampling their work to date, which is shared with parents/ carers. In line with Curriculum for Excellence, we report on children's strengths and challenges in a positive, accurate manner. We meet with parents to discuss their child's progress. Children who require extra provision or support have regular meetings to discuss that child's individual needs. Children in our Nursery each have a Personal Learning Journey, which charts their activities and progress during their time at nursery. This is regularly shared with parents, and focuses on Curriculum for Excellence".

Reporting

In all Fife schools teachers' reports about each pupil's learning play an important part in providing useful feedback about learning, for parents and carers and for other teachers and adults concerned with the young person's learning, progress and achievements.

Effective, constructive feedback to parents should be clear, positive, specific, supportive and give an honest appraisal of pupils' progress. Feedback will be provided for parents at parents' meetings and in formal written reports. Formal written reports will be based on the personal learning planning and informal records that have been shared with pupils and parents regularly throughout the year. Reports provide an overall summary of progress, achievements and next steps in learning in line with Curriculum for Excellence.

Within our school, we report to parents in a number of ways:

- Twice yearly Parent/ Teacher meetings to discuss each child's progress/ next steps in learning.
- Regular Parent Chat meetings in our nursery
- Regular opportunities to come into school/ nursery during 'stay and play' sessions (nursery), Shared starts/ finishes in school, and open events which encourage your child to share their learning with parents/ other relatives.
- From your child's last year in Nursery, until Primary 7, you will receive an annual written report, in June.
- In addition, parents of children who require extra support will receive additional review meetings, led by a member of the Management Team/ support for learning teacher.
- You can see school events by liking our facebook page and following us on Twitter, @PitteucharE

INSTRUMENTAL INSTRUCTION

Children who show musical promise may qualify for instrumental instruction. The types of instrument offered by Fife Education and Children's Services are violin, viola, cello, double bass, clarsach, woodwind, brass, piano/keyboard, bass guitar, guitar, percussion, chanter and pipe band drumming. The type of instrument available differs from school to school and generally only one type will be available to children in a school.

There is a charge for tuition. The rate may be subject to change, but the current rate would be notified at the time of interview. This may be paid in instalments or by Direct Debit and concessions may be available.

Please tell the Headteacher if you do not wish your child to be considered for instrumental instruction.

ATTENDANCE

If your child is enrolled in school, you are legally obliged to send your child to school on a regular basis. To prevent any misunderstanding, please contact the school immediately if your child is not able to attend. Please send an explanatory note with your child when he/she returns to school; otherwise the absence will be recorded as unauthorised.

In occurrences of long term illness it may be possible for instruction to be given at home on a part-time basis.

HEALTH CARE

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

School Nursing Service

Each school has access to the school nursing service. If you wish to contact your School Nurse please speak to your school.

School Based Immunisation Programmes

All pupils will be offered to participate in The Scottish School Based Immunisation Programme that is led by Fife Health & Social Care Partnership in partnership with education.

Parents will be notified and invited to participate by the Centralised Immunisation Team when the age appropriate immunisation programme is to take place within their child's school.

CHILD PROTECTION

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Mrs Jennifer Knussen) who will deal with all child protection issues and with whom any concerns can be discussed.

TRANSPORT

Our current policy offers free home-to-school transport to primary school children who attend their catchment area school and live more than one mile from it and to secondary school children who attend their catchment area school and live more than two miles from it. Distances are measured by the shortest available walking route for an accompanied child. However, if you choose a school other than your catchment area school, the Council will not provide any assistance with the cost of transport.

SUPPORT FOR PUPILS

Some children require additional support to make progress in school. Such support takes a range of forms – extra consideration by their class teacher, use of IT to support learning, support from a Pupil Support Assistant, time with a support teacher and in a few cases an alternative placement to, for example an additional support needs class. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child's progress and think he or she might have additional support needs you can either raise this with school staff at a parent's evening or make an appointment to discuss this at another time. School staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher of the school.

Each class teacher will ensure learning needs are met in their class and be aware of any concerns about a pupil's wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child's school. Further information may also be available from the school's link Educational Psychologist and the Learning Support Teacher.

The Additional Support for Learning Act

If you are concerned that your child/young person has additional support needs you can request, by writing to your school, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the school, it may be helpful to involve an educational psychologist or education officer. The school may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at Alistair.Haldane@fife.gov.uk or on 03451 555 555 Ext 444224.

Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – info@enquire.org.uk
- two websites– www.enquire.org.uk (for parents/carers and practitioners) and www.enquire.org.uk/yp (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

Let’s Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Let’s Talk can be contacted at letstalkasn@edlaw.org.uk or at 0141 445 1955.

To access this support, the child or parent can contact My Rights, My Say to make a referral, email help@myrightmysay.scot To find out more about the children’s service by contacting our helpline on 0345 123 2303.

EQUAL OPPORTUNITIES

Fife Council’s schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

PARENTAL INVOLVEMENT

- We are keen to involve parents, and have a number of ways in which parents can become involved in the life of the school, through volunteering to help in classes, with one-off activities and helping with Parent Council Activities. Whenever we create a new policy, we invite parents to contribute to these. Parents are asked for feedback, both informally, and through annual surveys.
- We involve parents/ carers in their child's learning, through meetings, reports, learning logs, personal learning plans, informal opportunities to share your child's learning and whole school open events. Staff are happy to meet with parents, to discuss ways which individual children can be best supported.
- We provide a range of homework activities, to promote learning outside school hours, and which are designed to challenge our learners. Some of these activities are very practical, and relate to work done in class, through all aspects of the curriculum.
- We have a small group of regular parent volunteers, who have all commented very positively on their experiences in classes. these parents are PVG checked, and have gone through a process of induction, led by our Support for Learning Teacher.
- Small focus groups of parents have supported policy making.

THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER

On completion of primary education the normal arrangement is for children to transfer to the catchment secondary school associated with their home address. However parents can make a placing request to attend a secondary school other than the catchment school and further information on how to do this is available in the booklet, Choosing a school – a guide for parents, which is available online at www.scotland.gov.uk/Publications/2010/11/10093528/0

DEFERRED ENTRY TO PRIMARY SCHOOL

Currently children with January or February birthdays are entitled to a further year of funded nursery education at parental request within a local authority or a Partner Provider nursery.

Parents of children who are 5 after the start date of the new school session and on or before the 31 December are not entitled but can request a discretionary additional year in nursery for their child. Requests are not always approved. Decisions on deferred entry requests are made by Education Managers based on information provided to them including assessment by the Headteacher and staff of the nursery, and at times the link educational psychologist.

A deferred entry to school has significant implications for any child and these decisions are not taken lightly. There needs to be careful consideration of how a child's needs can be best met, with full knowledge of the support that can be provided within a nursery setting, a mainstream primary school or a more specialist provision. If a school deferral is considered to be in a child's best interest, existing resources are used to accommodate the additional year within a Fife Council nursery.

Parents should speak with their nursery Headteacher if they have any concerns about their child starting school or should they wish to find out more about deferred entry to school. Further information on deferred entry can be found on Fife Direct.

SCHOOL IMPROVEMENT

Our full Standards and Quality Report, as well as our School Priorities can be found on our website. Our current priorities are listed below:

- To increase parental involvement in the school, and in your child's learning
- To increase opportunities for Outdoor Learning and STEM subjects.
- To focus on opportunities to improve literacy skills amongst our learners. This is in line with current Council Priorities.
- To ensure that children continue to develop as partners in their own learning, setting targets and evaluating their success against these.

DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil's attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at education.data@fife.gov.uk

Personal data **will not** be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council's registration under the Data Protection Act 1998.
