

At Pitteuchar East,

our **core values** are  
Respect, Ambition, Inclusion, Compassion and Nurture

**Our Vision:**

Pitteuchar East is a welcoming, nurturing, inclusive school where people are valued and listened to. Grown-ups in our school are easy to talk to and do everything we can to help our bairns achieve their potential and develop skills for education and life beyond school.

We provide activities to challenge our bairns' learning, including learning outdoors, and STEM. We support our bairns to achieve their goals and try to make learning challenging and fun.

We have strong partnerships with parents, carers, our wider community and outside agencies. We use those partnerships to enhance our curriculum and create strong teams around bairns.

We know that emotions and experiences drive behaviour and we have created a culture of understanding, kindness and compassion. We model our school values to make sure we have an ethos of care and inclusion.

The needs of children are at the heart of all our decisions.

**We aim to:**

- Have a positive impact on all our bairns' experiences.
- Teach our bairns well, support their learning journey, and equip them with the relevant skills and values for life.
- Be a community that helps all our bairns achieve and grow.
- Ensure that everyone in our school feels safe, listened to, respected and happy.

**Our school Motto is**

“It’s all about the bairns.”

For an illustrated animation on what our bairns, colleagues, parents and partners said, and how we used this to build our vision, please follow this link
