

TRANSFORMING LEARNING FIFE

Current Fife developments mean that all P6-S6 pupils now receive a 1:1 device (iPad) which they can use to support learning both at school and at home. The links below detail this initiative further:

ONLINE SAFETY

Keeping all our children and young people safe online is paramount. In schools and on 1:1 devices issued by Fife Council, children and young people only have access to apps that have been approved for use by Fife Council educators. Internet access is safeguarded using online filtering, both in school and when accessed on home networks.

The resources and links below can support learners and parents/carers with safety and wellbeing online:

GUIDANCE AND NEWS

EDUCATIONAL WEBSITES

These resources can help parents teach their children about digital literacy and ensure a safe online environment:

1. Duolingo teaches languages in a fun way. Kids can practice vocabulary through games that keep them engaged. (website or app available).
[Duolingo - The world's most popular way to learn](#)
2. National Geographic Kids has articles, videos, and games about animals and nature. This site sparks curiosity about the environment around us.
[National Geographic Kids | National Geographic Kids](#)
3. Starfall focuses on numeracy and literacy skills for children. Subscription optional, but some games available free and printable worksheets.
[Starfall Education: Kids Games, Movies, Books & Music for K-5 and above](#)
4. Cool Math Games makes math exciting with puzzles and fun challenges. Children can practice their skills while playing different games.
[Cool Math Games - Free Online Games for Learning and Fun](#)
5. Scratch allows kids to create their own games or stories using coding blocks. It encourages creativity alongside basic programming skills.
[Scratch - Imagine, Program, Share](#)
6. YouTube kids. Safer way to watch videos online (needs account set-up).
