

COST

of the School Day

At Springfield Primary, we recognise that school costs can add up and put pressure on families. We aim to ensure that every child has access to everything they need to enjoy school, take part fully, and feel included, regardless of their financial situation.

We work closely with families, staff, and pupils to identify and reduce any costs that could get in the way of learning or participation.

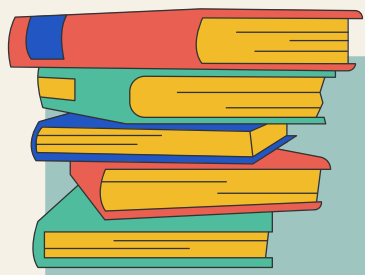

What we do to help...

We keep our uniform simple, low cost and widely available

Families can access good quality pre-loved uniform

Pupils will not miss out on outings due to cost, alternative arrangements can be available

Homework is designed to be accessible to everyone

We plan fundraising events that are fun and low cost
We keep celebrations simple and inclusive for all children

We can signpost and help to connect families with local support services and funding options

Free school meals for all P1-P5 pupils and for eligible P6-P7 pupils.

Our school is committed to reducing the cost of the school day wherever we can, and we will keep working with our school community to make that happen.

If you have any questions, concerns, or suggestions about school costs, or if there's anything you'd like to discuss, please don't hesitate to get in touch. We're here to help.
