Homework Policy Update

Dear Parents/Carers,

Please find below Springfield's Homework Policy which has been created following a questionnaire that was sent out to parents about their feelings on homework.

- No formal homework will be provided. However, the class teacher might send home set tasks which are relevant to your child's current learning.
- Formal reading homework will still be issued. Children should be reading or be read to daily.
- A guideline of activities and learning ideas has been provided for your reference. None of these tasks are compulsory but can help support your child's learning at home if you wish.
- SeeSaw will be updated regularly so that you can see what your child is currently learning at school.

If you have any questions please let your child's teacher know.

Literacy

Activities :

- Read a variety of books—short novels, non-fiction, graphic novels, comics
- Discuss favourite books and characters
- Answer questions about stories they have read
- Predict what might happen next in a story
- Keep a diary for a week and write about the things you have done and how you are feeling. You might want to add in illustrations.
- Write a list of instructions for a simple task eg brushing teeth
- Talk about their opinions—why do they like / not like something
- Write a short story about their topic
- Practise putting words into alphabetical order
- Use a dictionary to find the meanings of words
