

Everything else

Activities :

- Go to the library to find a book about your topic
- Write 10 facts about your topic
- Plan a visit to somewhere you've never been before. Write a list of things you will need to remember to take.
- Try completing an activity on the hour of code website (see link below)
- Create your own rap.
- Research your favourite artist
- Make up a dance to favourite music
- Help prepare a meal for your family
- Get your heart racing by doing at least 30 minutes of exercise every day. Try skipping, football, dancing, walking up and down the stairs... even cleaning works up a sweat!

Second Level

Springfield Primary School Homework Policy Update

Dear Parents/Carers,

Please find below Springfield's Homework Policy which has been created following a questionnaire that was sent out to parents about their feelings on homework.

- No formal homework will be provided. However, the class teacher might send home set tasks which are relevant to your child's current learning.
- Formal reading homework will still be issued to some children and some children will be asked to read a novel of their own choosing at home. Children should be reading or be read to daily.
- A guideline of activities and learning ideas has been provided for your reference. None of these tasks are compulsory but can help support your child's learning at home if you wish.
- SeeSaw will be updated regularly so that you can see what your child is currently learning at school.

If you have any questions please let your child's teacher know.

Literacy

Activities :

- Read a variety of books—larger novels, non-fiction, graphic novels, comics
- Discuss favourite books, characters and author
- Create questions about stories they have read
- Make detailed predictions of what might happen next in a story
- Write a letter to an imaginary friend
- Find new words in a novel they are reading—use a dictionary to find the meaning, use the word to write their own sentence, use a thesaurus to discover synonyms and antonyms of the word.
- Up level sentences using VCOP eg The cat is on the mat.—The beautiful fluffy cat sprawled on the colourful mat.
- Watch newsround and then talk about the current issues

Numeracy

Activities:

- Read, count and order numbers to 10 000
- Practise tables x2, x3, x4, x5, x6, x7, x8, x9, x10
- Add and subtract 3, 4 and 5 digit numbers
- Practise doubling large numbers
- Work out a weekly food budget for your family
- Plan a journey using a bus or train timetable
- Calculate the area of a room in your house
- Follow a recipe, weighing out the correct amounts of ingredients
- Make a list of obtuse, acute, right and reflex angles you can find around your house
- Create a questionnaire and gather data about your family and/or friends about their favourite meals, snacks and drinks. You could present your data in a graph.
