## WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children’s Services Directorate, our vision and what we stand for is “**Improving Life Chances for All**”.

## THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Our approach towards “**Improving Life Chances for All**” is founded on the values of Compassion; Ambition; Respect and Equality as we develop the capacity of young people to become:

- Successful learners
- Responsible Citizens
- Confident Individuals
- Effective Contributors

The four priorities of the Education Service are Educational Outcomes, Employability skills, Equity and Equality and Enhancing Opportunities for Vulnerable Groups and Individuals.

The themes supporting the 4 priorities are shown below.

Educational Outcomes focusing on	Employability Skills focusing on
<ul style="list-style-type: none"> <li>● Improving Outcomes for Learners including a focus on raising attainment in Literacy and Numeracy</li> <li>● Developing Excellence in Learning and Teaching</li> <li>● Building an excellent Curriculum</li> </ul>	<ul style="list-style-type: none"> <li>● Universal learning programmes to ensure all young people learn about careers and develop recognised employability skills</li> <li>● Focussed programmes to ensure particular groups are guided towards specific careers, especially as they enter the senior phase</li> <li>● Targeted programmes of learning to ensure we make effective provision for those most at risk of finding a negative destination when leaving school</li> </ul>
Equality and Equity focusing on	Enhancing Opportunities for Vulnerable Groups and Individuals Most at Risk
<ul style="list-style-type: none"> <li>● Breaking the cycle of disadvantage including reducing the attainment gap</li> <li>● Early Years</li> <li>● Supporting children, young people and families</li> </ul>	<ul style="list-style-type: none"> <li>● In our focus on Educational Outcomes, Equality and Equity and Employability we will target our work towards improved outcomes for disadvantaged groups and those individuals most at risk</li> </ul>

These priorities and themes and the associated actions are described in the Education Service Plan and are reflected in the work of the school.

## **Dear Parent**

Welcome to St Bride's Nursery.

This booklet is intended to give you some information about our Nursery, which I hope you will find useful.

Everyone involved with the Nursery is of the opinion that staff and parents working together will ensure that the children will benefit from the best possible education.

I fully appreciate that this booklet will not be able to answer all of your questions and I hope, therefore, that you will contact me personally with other queries.

## **Yours sincerely**

Mrs Eileen Chapman  
Headteacher

## **SCHOOL ETHOS**

Our Nursery aims to provide a safe, stimulating environment in which children can feel happy and secure.

Children are encouraged to explore, appreciate and respect the environment both indoors and out. Children participate regularly in Forest Kindergarten.

We seek to develop positive partnerships with all stakeholders to ensure of quality learning experiences for all children.

## **BUILDING**

St. Bride's R C Primary is a denominational primary located in the town of Cowdenbeath. The school building opened in the 1930's and was refurbished in the 1970's. The staff and pupils of St. Bride's were relocated to this building in 1973. The school's catchment area covers Lumphinnans, Hill of Beath, Crossgates and Cowdenbeath itself.

Pupils and adults who have mobility difficulties can access the ground floor of the school, including the parking area, the approach and entrance to the school, ground floor rooms, however we do not have disabled access to the toilets.

The classes, offices and hall are on one level and the dining area is situated on a lower level. The playground has both tarmac and grassed play areas which includes a trim trail, goal posts and picnic benches.

There is a separate Nursery Entrance with a parent room and cloakroom area. We have a secure entry system in operation with CCTV camera and anyone who arrives at Nursery should press the buzzer and nursery staff will open the door.

A morning and afternoon child share each peg which are clearly labelled. There are also boxes to keep shoes in. Parents are asked to use the parent room to wait at start and collection times to minimum disruption to the nursery sessions and infant classes in school.

### Other Information

- If you have any concerns regarding your child's development or wish to seek dates or advice on school placements please do not hesitate to make an appointment with the Nursery Teacher, Depute Headteacher or Headteacher

## NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with them to sort out any further help, advice or support if they need it.

The Named Person for your nursery child is the NHS Health Visitor. Should you need help in contacting your Health Visitor Nursery staff can help you with this.

## **NURSERY HOURS**

There are two sessions:

Morning: 9.00a.m.- 11.30a.m.

Afternoon: 12.45p.m.- 3.15p.m.

## **APPLYING FOR A NURSERY PLACE FOR YOUR CHILD**

From August 2020 the number of funded hours of early learning and child care for all three and four year olds as well as eligible two year olds will almost double to 1140 hours a year. This will provide families with greater choice and flexibility over how their child care needs are met. In order to ensure every three and four year old child has a nursery place, every child attending nursery between August 2020 and July 2021 needs to submit an application to their preferred preschool setting/s between 6th and 31st January 2020.

### **Three and four year old intakes**

#### **What are my options for early learning and childcare?**

Fife Council are providing the following three options in your local area.

1. Term time (38 weeks a year) – 5 days a week, Monday to Friday from 9:00am to 3:00pm.
2. Full Year (46 weeks a year) – 2 ½ days a week, Monday/Tuesday full days from 8:00am to 6:00pm, and Wednesday morning ½ day from 8:00am to 12:48pm or Wednesday afternoon ½ day from 1:12pm to 6:00pm, and Thursday/Friday full days from 8:00am to 6:00pm.
3. Full Year - (49 weeks a year) – ½ day sessions - Monday to Friday morning sessions from 8:00am to 12:40pm or Monday to Friday afternoon sessions from 1:20pm to 6:00pm.

You may also access your funded 1140 hours early learning and child care from a private nursery or play group or childminder in partnership with Fife Council. It will also be possible to share hours between different early learning and child care providers.

Extended and wraparound early learning and childcare will also be available in some nurseries where there is capacity. You will be informed if this is available in your nursery once you have accepted a place for your child. You can then choose to pay for additional hours over and above your entitlement, where this service is available.

You are asked to provide five choices on your application form as some nurseries or session times may be oversubscribed. In the event we are unable to offer you your first choice, we will then look at your other nursery choices to see if we can offer you one of these.

An admissions policy is in place to ensure fairness when allocating places – this can be found at [www.fife.gov.uk](http://www.fife.gov.uk)

Applications for Fife Council nurseries for three and four year olds must be received by the 31st January 2020 in order to be included in the process which allocates places for the following academic year. Late applications received on or after the 1st February 2020 will not be considered until after the full application process has taken place for this age group.

Applications for private nurseries, play group and childminders in partnership with Fife Council should be made directly with individual establishments and services.

Families with children who currently attend nursery and are due to return for their preschool year in August 2020 will be eligible for 1140 hours of funded early learning and child care. Therefore, families who wish for their child to attend a Fife Council nursery will be required to make a new application for their child in January 2020.

### **When should my child start nursery?**

- Nursery intakes take place three times during the academic year. If your child was born between 01/03/2017 and 31/08/2017, they will be eligible to access funded ELC from August 2020.

### **How to apply**

Application forms are available from all Fife Council nurseries, local council offices or online at [www.fife.gov.uk](http://www.fife.gov.uk). Applications should be returned to your first choice nursery, along with any proof requested. Applications must be received by 31st January 2020 for any child who will be attending a Fife Council nursery between August 2020 and July 2021. ## CURRICULUM

In the Early Years setting children are surrounded with opportunities for learning experience to encourage their holistic development across the key areas of the Curriculum for Excellence. The curriculum has been organised into 8 areas:

- Health and Wellbeing
- Literacy and English
- Numeracy and Maths
- Expressive Arts
- Science
- Technologies
- Social Subjects
- Religious and Moral Education

Early Learning and Childcare aims to provide a broad, experiential curriculum that meets the needs of all children and which develops skills for learning, skills for life and skills for work. This means that every child is entitled to a curriculum which is:

- Coherent from home to nursery through to their transfer to primary school.
- Founded on sound learning and teaching practices including well planned learning experiences which are active and engaging and based upon research.
- Based upon developing skills and competences in literacy and numeracy and an ability to make informed choices about their health and well being.
- Real and relevant, now and in the future.

All staff have a responsibility to build our children's capacity to become:

- Successful Learners
- Confident Individuals
- Responsible Citizens
- Effective Contributors.

In Early Learning and Childcare and Primary 1 most children will be working within the early level of Curriculum for Excellence.

Play is vital for a child to learn. Through play your child learns many essential life skills. In Nursery we carefully plan and set out activities to help children's development. If you have any question regarding Nursery please ask.

St. Bride's has a secure outdoor area where the child's development and learning continues with planned learning exercises.

## **ATTENDANCE**

For reasons of Care and Welfare we ask that you contact us as early as possible on the first day of absence. If we do not hear from you then we are obliged to begin formal absence and attendance procedures. A copy of these procedures are available in school.

## **HEALTH CARE**

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

## **CHILD PROTECTION**

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Eileen Chapman) who will deal with all child protection issues and with whom any concerns can be discussed.

## **SUPPORT FOR PUPILS**

Some children require additional support to make progress in nursery. Such support takes a range of forms – extra consideration by their early years officer or support from a Pupil Support Assistant. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child's progress and think he or she might have additional support needs you can either raise this with nursery staff when you first enrol your child at nursery or make an appointment to discuss this with the headteacher. Nursery staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher.

Each early years officer will ensure learning needs are met in their group and be aware of any concerns about a pupil's wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child's nursery. Further information may also be available from the school's link Educational Psychologist and the Learning Support Teacher.

## **The Additional Support for Learning Act**

If you are concerned that your child/young person has additional support needs you can request, by writing to your nursery, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the nursery, it may be helpful to involve an educational psychologist or education officer. The nursery may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at [Alistair.Haldane@fife.gov.uk](mailto:Alistair.Haldane@fife.gov.uk) or on 03451 555 555 Ext 444224.

Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – [info@enquire.org.uk](mailto:info@enquire.org.uk)
- two websites– [www.enquire.org.uk](http://www.enquire.org.uk) (for parents/carers and practitioners) and [www.enquire.org.uk/yp](http://www.enquire.org.uk/yp) (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

Let’s Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Let’s Talk can be contacted at [letstalkasn@edlaw.org.uk](mailto:letstalkasn@edlaw.org.uk) or at 0141 445 1955.

Children and young people can also exercise their own rights to access an assessment of their additional support needs, access advocacy and support to resolve disagreements with their school or the education authority. To access this support, the child or parent can contact My Rights, My Say to make a referral, email [help@myrightmysay.scot](mailto:help@myrightmysay.scot) To find out more about the children’s service by contacting our helpline on 0345 123 2303.

## **SPEECH & LANGUAGE THERAPISTS / OTHER SERVICES**

The following people make up the health care team:

School Doctor:	Dr Heather Graham
Speech Therapist:	Sarah Barr
Educational Psychologist:	Sheona Stewart

They are all regular visitors to the school and we can arrange for you to meet with any one of them should the need arise.

## **EQUAL OPPORTUNITIES**

Fife Council’s schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

## **PARENTAL INVOLVEMENT**

Parents are welcome to come into nursery to see how their child spends their time.

We are always looking for parents to help, for example to plant bulbs, mount pictures, go on outings etc. If you have a particular area of expertise that you could share with us please speak to the nursery staff.

## **THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER**

On completion of your child's nursery education the normal arrangement is for children to transfer to the local primary school associated with your postal address. You will of course be aware that parents can make a choice to attend a different primary school and this is known as a placing request. Further information on this is contained in the booklet 'Choosing a School - A Guide for Parents' which is found at [www.scotland.gov.uk/Publications/2010/11/10093528/0](http://www.scotland.gov.uk/Publications/2010/11/10093528/0)

Where a child goes missing from school without warning then the education service is obliged to link with other services to discover where the child has gone and confirm their safety and wellbeing.

## **DEFERRED ENTRY TO PRIMARY SCHOOL**

Currently children with January or February birthdays are entitled to a further year of funded nursery education at parental request within a local authority or a Partner Provider nursery.

Parents of children who are 5 after the start date of the new school session and on or before the 31 December are not entitled but can request a discretionary additional year in nursery for their child. Requests are not always approved. Decisions on deferred entry requests are made by Education Managers based on information provided to them including assessment by the Headteacher and staff of the nursery, and at times the link educational psychologist.

A deferred entry to school has significant implications for any child and these decisions are not taken lightly. There needs to be careful consideration of how a child's needs can be best met, with full knowledge of the support that can be provided within a nursery setting, a mainstream primary school or a more specialist provision. If a school deferral is considered to be in a child's best interest, existing resources are used to accommodate the additional year within a Fife Council nursery.

Parents should speak with their nursery Headteacher if they have any concerns about their child starting school or should they wish to find out more about deferred entry to school. Further information on deferred entry can be found on Fife Direct.

## **SCHOOL IMPROVEMENT**

At St. Bride's Parents are actively encouraged to become involved in the life and the work of the school. This can be achieved through participating in the many parental events organised at the school, volunteering / offering help or becoming a member of the active parent council.

Parents are supported, given advice and information on how best to promote their children's learning through a range of curricular workshops, parent meetings and open days.

## DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil's attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

### The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

### What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at [education.data@fife.gov.uk](mailto:education.data@fife.gov.uk)

Personal data **will not** be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council's registration under the Data Protection Act 1998.

### WANT MORE INFORMATION?

Further information on Fife Council's use of data and the Data Protection Act 1998 can be found on Fife Council's website [www.fifedirect.org.uk](http://www.fifedirect.org.uk)

3. **Visit** [www.fifedirect.org.uk/closures](http://www.fifedirect.org.uk/closures). Also, check the website of your own school.
4. **Follow-us** on [facebook.com/fifecouncil](https://www.facebook.com/fifecouncil) and [twitter.com/fifecouncil](https://twitter.com/fifecouncil).
