Money

Movie Night!

Task:

Plan a movie night for you and your family. You have a budget of £10. Go online to your favourite supermarket and make a list of items for your shopping basket e.g. crisps, popcorn, juice, ice cream.

- Find the total of your basket.
- How much change from £10?
- If 4 of you were splitting the bill how much would you each pay?
- 50% off! How much is your bill now?

Data Handling

Socktastic!

Task:

Gather as many odd socks in your house as you can. Now create a Tally Chart then a Bar Graph to show how many socks there are of each colour.

- What is the total number of socks?
- Which is the most common colour?
- What is the difference between the most and least popular colour?

Multiplication

Speed Test

Task:

Practise your most challenging times table by writing it down 3 times, saying it out loud 3 times, covering the answer and testing yourself.

Now set a timer for 1 minute and ask a family member to quiz you on your table non-stop until the time is up. How many questions did you answer correctly? Set the timer again and try to beat your total.

Task:

Google the Topmarks website online and try a game of Hit the Button with your most challenging table then with a mixture of all tables up to the 12 x table.

Symmetry

Picture Patterns

Task:

Watch this clip and listen to the catchy song to remind yourself what symmetry is:

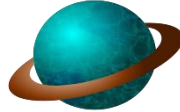

<https://www.youtube.com/watch?v=PBW1dyOwUbA>

Draw a symmetrical design of a skateboard.

Does your design have 1 line of symmetry or 2?

Can you add colour, keeping to the symmetrical design?
