FIFE COUNCIL EDUCATION SERVICE

WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children's Services Directorate, our vision and what we stand for is "Improving Life Chances for All".

THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Our approach towards "Improving Life Chances for All" is founded on the values of Compassion; Ambition; Respect and Equality as we develop the capacity of young people to become:

- Successful learners
- Responsible Citizens
- Confident Individuals
- Effective Contributors

The four priorities of the Education Service are Educational Outcomes, Employability skills, Equity and Equality and Enhancing Opportunities for Vulnerable Groups and Individuals.

The themes supporting the 4 priorities are shown below.

<ul style="list-style-type: none"> ● Breaking the cycle of disadvantage including reducing the attainment gap ● Early Years ● Supporting children, young people and families 	<ul style="list-style-type: none"> ● In our focus on Educational Outcomes, Equality and Equity and Employability we will target our work towards improved outcomes for disadvantaged groups and those individuals most at risk

These priorities and themes and the associated actions are described in the Education Service Plan and are reflected in the work of the school.

The information contained in this booklet refers to the current school year and is accurate at the time of publication.

We hope this information will be helpful to you and will answer many of your questions about the school. Should you have any further enquiries, please do not hesitate to call in at the school where we shall be pleased to help you.

Dear Parent

St Columba's RC Primary is a happy school, where children are treated with dignity and respect and where Gospel Values are at the heart of our school family. Every child in St. Columba's is very important to us and we strive for excellence by developing each person's God given talent. We aim to support the Charter for Catholic Schools and to create a learning environment that is safe and caring and where children are encouraged to reach their full potential whatever their faith or background. We recognise the importance of working in partnership with parents to ensure the best possible outcomes for children.

The following notes are intended to tell you something about our school. I have attempted to cover the areas which will probably be of interest or concern to parents and at the same time to inform you of the educational aims that we have for your child.

My teaching colleagues and myself are firmly of the opinion that school and parents must work together to ensure that children receive the best possible education.

I fully appreciate that this booklet will not be able to answer all the questions that you would like to ask and I hope that if this is the case, you will contact the school and arrange for a personal interview.

Yours sincerely

Mr Stephen Morrison
Headteacher

A Charter for Catholic Schools in Scotland

The mission of the Catholic school is to develop as a community of faith and learning, providing the highest quality of education, and offering formation through the promotion of Gospel values, through celebration and worship, and through service to the common good.

All Catholic schools in Scotland, in honouring Jesus Christ as the Way, the Truth and the Life, will feature the following characteristics:

- a commitment to the integrated education and formation of the whole person, in close partnership with parents as the first educators of their children;
- an inclusive ethos which aims to honour the life, dignity and voice of each person, made in the image of God;
- a commitment to the search for wisdom in life and to pursuit of excellence, through the development of each person's unique God-given talents;
- a commitment to the spiritual formation of the school community, through the shared experience of prayer and liturgy, and in partnership with local parishes;
- the provision of religious education programmes which will enable young people to develop their understanding of Gospel values and of how to apply them to life;
- a commitment to uphold the moral teaching, faith tradition and sacramental life of the Catholic Church;
- a commitment to communicate Catholic social teaching and thereby to promote social justice and opportunity for all;
- a commitment to ecumenical action and the unity of Christians;
- the promotion of respect for different beliefs and cultures and for inter-faith dialogue;
- a commitment to support the continuing professional and spiritual development of staff.

All staff appointed to a Catholic school are expected to support and promote the aims, mission, values and ethos of the school, as illustrated in this Charter.

SCHOOL ETHOS

St Columba's is a Roman Catholic primary school . We aim to keep Christ at the centre of our school life and allow gospel values to inform all our work together.

We will value each child as an individual with unique gifts and needs and to work with parents, parish and the wider community in partnership.

We will offer pastoral care and guidance to each individual child to enhance his/her spiritual, social and emotional development.

We will recognise and value the work of each member of our school community encouraging personal and professional development.

We will have high expectations of pupil's behaviour and learning encouraging each child to fulfil their potential.

We will ensure that the children are offered a broad and balanced curriculum.

We will match our teaching methodology to the needs of the children using a variety of approaches to ensure pupil motivation and effective learning.

We will celebrate the successes of all our pupils and in P6 and P7, all pupils can work towards the Pope Francis Faith Award which celebrates their faith, commitment and community involvement.

BUILDING

We are fortunate to enjoy an excellent purpose built school. We have excellent sport facilities, a library and ten classrooms. Each classroom enjoys a 'break out ' area where children can work outwith the main classroom but still be supervised by the class teacher.

ACCESSIBILITY

Access for pupils and adults who have mobility difficulties is good to all parts of the school including a lift to access the upper floor .

If any person with a mobility difficulty would like to meet with the Headteacher, please telephone the school for a suitable appointment time and venue arrangement to be made.

Although we welcome children from all faith backgrounds, parents are respectfully reminded that this is a denominational school and priority for places will be given to those of the Roman Catholic faith.

NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with them to sort out any further help, advice or support if they need it.

The Named Person for your child is Mr Stephen Morrison HT.

Children who reach the age of 5 on or before 17 August 2020, must normally start school in August 2020. Children who reach the age of 5 after August 2020, but before 29 February 2021, may also start school in August 2020, though parents are not obliged to send their children to school until the first entry date after their fifth birthday.

Parents of children in either of these categories are asked to enrol their child at their catchment school before Friday, 31 January 2020.

Choice of School

Parents have the right to make a placing request for the school they wish their child to attend. This applies whether the child is about to start school or whether he/she is already attending primary, secondary or additional support needs school. Parents wishing to send their child to a school other than the catchment school should apply to the school of their choice as soon as possible and, in any case, before 15 March 2020. Parents must also enrol their child at their catchment school to ensure a place is available if a placing request application is refused.

Headteachers must provide information to parents on how to make a placing request for the school of their choice. In the case of children starting school for the first time 'Choosing A School – A Guide for Parents' is available online at www.scotland.gov.uk. CURRICULUM

Fife schools follow Curriculum for Excellence, a national framework which is providing our children with learning experiences and opportunities to prepare them for learning, life and work in a changing world. Children learn actively in eight different curricular areas following a curriculum designed by each school to reflect their particular needs and circumstances.

All schools follow the same principles in designing the curriculum, aimed at ensuring that children have the experiences and opportunities to become –

- Successful Learners
- Confident Individuals
- Effective Contributors
- Responsible Citizens

Literacy, numeracy and health and wellbeing are addressed throughout the curriculum and children's wider achievements are fully recognised and celebrated, reflecting the value given to wider learning and children's experiences out of school.

Children are fully consulted throughout their learning and in decisions about what they learn and how they learn it. There are opportunities throughout the school year for parents to receive information and be consulted upon the curriculum children are following, particularly in relation to more sensitive aspects of learning.

Religious and moral education is a core subject for all pupils attending primary and secondary schools in Scotland. Schools also provide opportunities for religious observance in order to promote the spiritual development of the school community. Parents can choose to withdraw their children from participation in religious education or religious observance. Parents wishing to do this should contact the headteacher. The school will make arrangements for pupils to participate in a suitable alternative activity.

Further information about the curriculum is available on the school website, and more general information regarding Curriculum for Excellence can be found at Parentzone (<http://www.educationscotland.gov.uk/parentzone>), a national resource developed by Education Scotland on behalf of the Scottish Government.

We are an active school and children are offered a wide variety of sporting and cultural opportunities to complement the taught curriculum. We have a strong musical tradition with wide participation in the Fife Music Festival and links with Cupar Choral and St Andrew's Chorus.

We are a Rights Respecting School and all classes are enrolled in a Natural Connections project to enhance opportunity for outdoor learning. All our pupils learn about Fairtrade and we have a strong commitment to charitable giving. Pupils participate in the life of the school and a termly 'Big Conversation' allows representatives of the Pupil Council to meet with other pupil groups such as the Health and Fairtrade group, Junior Road Safety Officers and so forth.

We are able to offer a chess club, a running club, a school choir and other clubs at lunchtime or after school. These groups depend on staff and parent commitment so all groups do not operate at all times.

Learning Together Groups: All pupils have opportunities to participate fully in school improvement. The Learning Together groups take forward priorities such as Eco, Rights Respecting, school and playground improvement. There are eleven groups each with their own focus and a pupil to lead the group. Parents support is always welcome. Please contact the school office 01334 659440 if you would like to know more about these groups.

ASSESSMENT AND REPORTING

Assessment

Broadly, across Fife primary schools two forms of assessment are used to support your child's development:

Summative assessment- which focuses on measuring current performance in terms of how successful the learner has been measured against national benchmarks, and formative assessment which gathers information about pupils' learning which is then used to help plan next steps in learning. Both types of assessment help teachers improve their teaching and the support they give to their pupils.

Summative assessment takes the form of standardised classroom based tests which measure how well your child is performing for their age and stage. Their purpose is not to compare your child with others but to provide the school with information to ensure that your child's learning needs are being addressed.

Formative Assessment is an integral part of your child's day to day learning and provides a range of information to support your child in moving their learning forward. This less formal assessment takes many forms including observing children's engagement in classroom tasks and providing individual feedback to pupils to support them in identifying their own next steps in learning.

Within our school we continuously assess our pupils progress and ensure that children experience appropriate challenge in their learning. We use a mixture of assessment tools from informal questions and observation to standardised assessment packages. Teachers plans are informed by pace of pupil progress so that each child is working at the right level for them.

Reporting

In all Fife schools teachers' reports about each pupil's learning play an important part in providing useful feedback about learning, for parents and carers and for other teachers and adults concerned with the young person's learning, progress and achievements.

Effective, constructive feedback to parents should be clear, positive, specific, supportive and give an honest appraisal of pupils' progress. Feedback will be provided for parents at parents' meetings and in formal written reports. Formal written reports will be based on the personal learning planning and informal records that have been shared with pupils and parents regularly throughout the year. Reports provide an overall summary of progress, achievements and next steps in learning in line with Curriculum for Excellence.

We share key focus targets for all learners with parents at the start of term through our 'Steps to Success' folders. Pupils evaluate their own progress and a teacher comment is added at the end of each main block of work. Parents meet with teachers twice during the year and summative reports are sent home during the summer term. Parents whose children have additional support needs are invited into school for individual review meetings on an annual basis (or more often if this is necessary) . If parents express concern about the child's well being or academic progress their concerns are listened to and an agreement made as to next steps as necessary.

INSTRUMENTAL INSTRUCTION

Children who show musical promise may qualify for instrumental instruction. The types of instrument offered by Fife Education and Children's Services are violin, viola, cello, double bass, clarsach, woodwind, brass, piano/keyboard, bass guitar, guitar, percussion, chanter and pipe band drumming. The type of instrument available differs from school to school and generally only one type will be available to children in a school.

There is a charge for tuition. The rate may be subject to change, but the current rate would be notified at the time of interview. This may be paid in instalments or by Direct Debit and concessions may be available.

Please tell the Headteacher if you do not wish your child to be considered for instrumental instruction.

ATTENDANCE

If your child is enrolled in school, you are legally obliged to send your child to school on a regular basis. To prevent any misunderstanding, please contact the school immediately if your child is not able to attend. Please send an explanatory note with your child when he/she returns to school; otherwise the absence will be recorded as unauthorised.

In occurrences of long term illness it may be possible for instruction to be given at home on a part-time basis.

HEALTH CARE

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

School Nursing Service

Each school has access to the school nursing service. If you wish to contact your School Nurse please speak to your school.

School Based Immunisation Programmes

All pupils will be offered to participate in The Scottish School Based Immunisation Programme that is led by Fife Health & Social Care Partnership in partnership with education.

Parents will be notified and invited to participate by the Centralised Immunisation Team when the age appropriate immunisation programme is to take place within their child's school.

CHILD PROTECTION

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Mr Stephen Morrison HT) who will deal with all child protection issues and with whom any concerns can be discussed.

TRANSPORT

Our current policy offers free home-to-school transport to primary school children who attend their catchment area school and live more than one mile from it and to secondary school children who attend their catchment area school and live more than two miles from it. Distances are measured by the shortest available walking route for an accompanied child. However, if you choose a school other than your catchment area school, the Council will not provide any assistance with the cost of transport.

SUPPORT FOR PUPILS

Some children require additional support to make progress in school. Such support takes a range of forms – extra consideration by their class teacher, use of IT to support learning, support from a Pupil Support Assistant, time with a support teacher and in a few cases an alternative placement to, for example an additional support needs class. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child's progress and think he or she might have additional support needs you can either raise this with school staff at a parent's evening or make an appointment to discuss this at another time. School staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher of the school.

Each class teacher will ensure learning needs are met in their class and be aware of any concerns about a pupil's wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child's school. Further information may also be available from the school's link Educational Psychologist and the Learning Support Teacher.

The Additional Support for Learning Act

If you are concerned that your child/young person has additional support needs you can request, by writing to your school, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the school, it may be helpful to involve an educational psychologist or education officer. The school may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at Alistair.Haldane@fife.gov.uk or on 03451 555 555 Ext 444224.

Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – info@enquire.org.uk
- two websites– www.enquire.org.uk (for parents/carers and practitioners) and www.enquire.org.uk/yp (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from 'additional support in the early years' to 'what planning should take place for moving on from school'.

Let's Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Let's Talk can be contacted at letstalkasn@edlaw.org.uk or at 0141 445 1955.

Children and young people can also exercise their own rights to access an assessment of their additional support needs, access advocacy and support to resolve disagreements with their school or the education authority. To access this support, the child or parent can contact My Rights, My Say to make a referral, email help@myrightmysay.scot To find out more about the children's service by contacting our helpline on 0345 123 2303.

EQUAL OPPORTUNITIES

Fife Council's schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

PARENTAL INVOLVEMENT

We have an active Parent Council. All parents are automatically members and are welcome to attend any Parent Council meeting. We are supported in this work by The Rev Pat McInally and have active partnership with other local groups such as Cupar in Bloom, Cupar Rotary Club and Cupar Age Concern Centre.

The Parents Council has two sub-committees, one dedicated to fundraising and social events and one dedicated to keeping parents informed about curricular issues. Both groups are always grateful for new members!

The Parent Council meets approximately 6 times a year. As well as fundraising to buy extras for the children, in the past, they have funded large items like SMART boards and small items like ice lollies on Sports Day. We also have a 'Friends of St Columba's' Adult Choir who meet weekly.

THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER

On completion of primary education the normal arrangement is for children to transfer to the catchment secondary school associated with their home address. However parents can make a placing request to attend a secondary school other than the catchment school and further information on how to do this is available in the booklet, Choosing a school – a guide for parents, which is available online at www.scotland.gov.uk/Publications/2010/11/10093528/0

SCHOOL IMPROVEMENT

Our school has been awarded Fairtrade School Status. As a Rights Respecting School we are actively engaged in supporting other schools to adopt this approach . We have pupil assessors which help in the process of assessing whether other schools have met the standard. We are a Health Promoting School. Our school choir and recorder groups perform to a very high standard and participate in the Fife Festival of Music. Our musical achievements are shared with parents at well attended concerts. We present the Easter story in drama and song and retell the Christmas story too. Pupils are prepared for the Sacraments of Reconciliation, Confirmation and First Holy Communion and all of our P7 pupils gain the John Muir Conservation Award.

- We are committed to continuous improvement and strive to offer the best opportunities to our pupils. We use self evaluation tools to help us audit the work of the school together with feedback offered by the local authority and data gained from standardised testing to help us develop a School Improvement Plan . Every parent is given a copy.

DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil's attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at education.data@fife.gov.uk

Personal data **will not** be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council's registration under the Data Protection Act 1998.
