

3

- ✓ There is a consistent whole school approach to Outdoor Learning.
- ✓ All staff have a shared knowledge and understanding of the benefits of Outdoor Learning and are able to plan and deliver high quality OL experiences making connections across curriculum areas.
- ✓ ELC weekly Forest Kindergarten is embedded and staff are skilled in planning and delivering high quality learning experiences for all learners.

3

- ✓ All learners are able to apply a range of skills in a range of contexts while linking these skills to the world of work.
- ✓ A whole school approach will be embedded with a focus on developing a skills progression (Nursery to Primary 7) and ensuring making links to skills for LLW is an integral part of the learning and teaching process.

3

- ✓ Wider achievement is tracked using a robust and consistent whole school approach.
