

1

Continue to embed the four part teaching model in all classes.

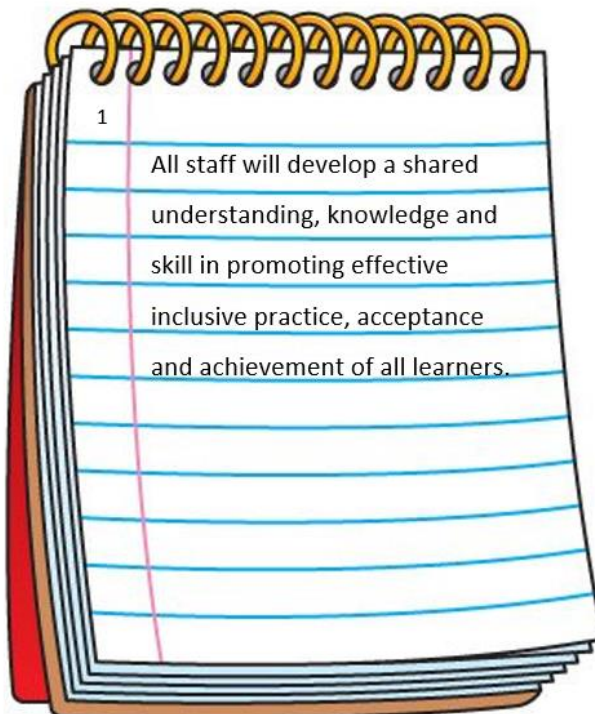

Focussed collegiate input on co-creating learning intentions and success criteria.

1

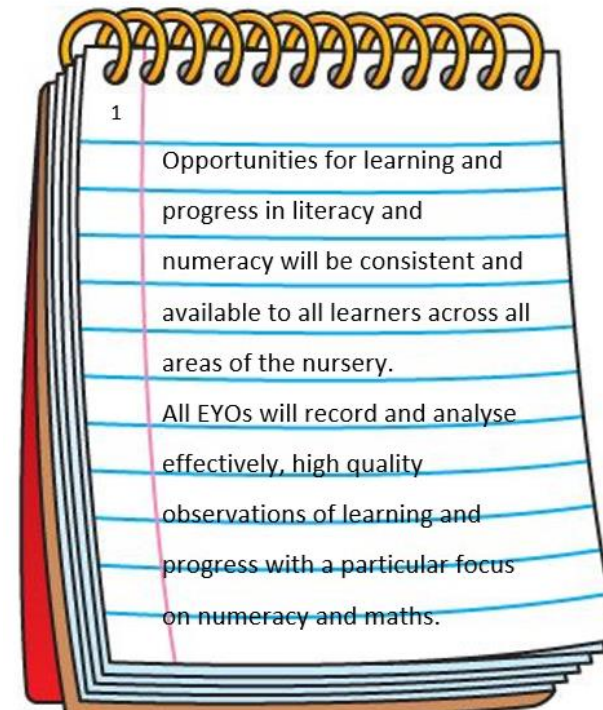

All teaching staff will take part in conceptual numeracy professional learning.

Embed use of the Fife Writing Assessment Packs in all classes.

1

All staff will develop a shared understanding, knowledge and skill in promoting effective inclusive practice, acceptance and achievement of all learners.

1

Opportunities for learning and progress in literacy and numeracy will be consistent and available to all learners across all areas of the nursery.

All EYOs will record and analyse effectively, high quality observations of learning and progress with a particular focus on numeracy and maths.
