

2

Teachers will use their digital skills to plan appropriate learning based on Fife's curriculum progression pathways.

Teachers will use a range of digital tools to create and share explanations and to model learning processes.

Teachers will plan for differentiated learning by providing access to learning materials digitally allowing children to use the accessibility features.

2

As part of the agreed WTA 5 collegiate sessions, staff will engage in professional learning on the use of iPads and associated apps to enhance the quality of learning, teaching and assessment.

All staff will have the option to upskill their knowledge through the awareness of resources and self-led professional learning available on the Apple Education Community and further professional learning will support teachers to make effective use of the software library developing digital skills.

2

Accessibility features will be available to ensure learning is more inclusive for learners with ASN whilst promoting independence.

Staff will ensure they are able to always demonstrate safe and responsible use of digital technology.
