

3

- ✓ Our nursery and school are committed to fostering an anti-racist environment where every learner, staff member, and family is valued, included, and empowered. We actively work to identify and dismantle racism in our policies, curriculum, and culture.

3

- ✓ All early years staff will be familiar with the new Quality Framework and will use this to support effective self-evaluation for improvement.
- ✓ Our nursery will promote healthy, sustainable eating habits through planned nutrient-dense snacks and making mindful food choices accessible to all learners.
