

EDUCATION AND CHILDREN'S SERVICES

St Monans Primary School 2020-21

Information for Parents/Carers

FIFE COUNCIL EDUCATION SERVICE

WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children’s Services Directorate, our vision and what we stand for is “**Improving Life Chances for All**”.

THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Our approach towards “**Improving Life Chances for All**” is founded on the values of Compassion; Ambition; Respect and Equality as we develop the capacity of young people to become:

- Successful learners
- Responsible Citizens
- Confident Individuals
- Effective Contributors

The four priorities of the Education Service are Educational Outcomes, Employability skills, Equity and Equality and Enhancing Opportunities for Vulnerable Groups and Individuals.

The themes supporting the 4 priorities are shown below.

Educational Outcomes focusing on	Employability Skills focusing on
<ul style="list-style-type: none"> ● Improving Outcomes for Learners including a focus on raising attainment in Literacy and Numeracy ● Developing Excellence in Learning and Teaching ● Building an excellent Curriculum 	<ul style="list-style-type: none"> ● Universal learning programmes to ensure all young people learn about careers and develop recognised employability skills ● Focussed programmes to ensure particular groups are guided towards specific careers, especially as they enter the senior phase ● Targeted programmes of learning to ensure we make effective provision for those most at risk of finding a negative destination when leaving school
Equality and Equity focusing on	Enhancing Opportunities for Vulnerable Groups and Individuals Most at Risk
<ul style="list-style-type: none"> ● Breaking the cycle of disadvantage including reducing the attainment gap ● Early Years ● Supporting children, young people and families 	<ul style="list-style-type: none"> ● In our focus on Educational Outcomes, Equality and Equity and Employability we will target our work towards improved outcomes for disadvantaged groups and those individuals most at risk

These priorities and themes and the associated actions are described in the Education Service Plan and are reflected in the work of the school.

The information contained in this booklet refers to the current school year and is accurate at the time of publication.

We hope this information will be helpful to you and will answer many of your questions about the school. Should you have any further enquiries, please do not hesitate to call in at the school where we shall be pleased to help you.

Dear Parent

The following notes are intended to tell you about our school. I have attempted to cover the areas which will probably be of interest or concern to parents and at the same time inform you of the educational aims that we have for your child.

My colleagues and I believe in high expectations for every child and encourage aspiration and achievement at all stages. Our vision statement 'where little people achieve big things' was developed with staff, pupils and parents and is fundamental to our work with learners. As a Rights Respecting School, we wish to ensure every child has a voice and is valued. We ensure we offer a broad education, teaching skills for learning, work and life. We maintain strong links with parents and all stakeholders and seek improvement through feedback and evaluation. We are fortunate to have forged strong partnerships with the local community and have effective links with our cluster schools and secondary school - Waid Academy.

We are fortunate to be in a beautiful village in the East Neuk which gives us a wealth of opportunities for outdoor learning.

The school operates an open door policy and if you would like to see around the school or if after reading this booklet you require further information, please do not hesitate to contact me.

Yours sincerely

Miss Nicola Wallace
Headteacher

SCHOOL ETHOS

St Monans Primary

We believe in working together to create a strong, positive ethos. As a Rights Respecting School we base the United Nations Convention at the heart of our visions, values and aims. Our Rights Respecting Charter is on display in school and we welcome the whole community to share in the life of the school.

Our visitors regularly comment on the warm and welcoming ethos felt when entering our school. We pride ourselves on the way we work as a team including parents, learners, staff and community. We are both inclusive and supportive. Respect underpins all learning in our school and we work hard to ensure our children feel happy, confident and safe. Children feel valued and we ensure they have a voice in our school through our Eco, Health, Rights Respecting Schools, and Pupil Council Committee. We also regularly work with the whole school to obtain feedback and make improvements with learners.

We believe that through meeting needs in numeracy, literacy and health we can ensure each child develops necessary skills for life long learning. We strongly value our own culture and heritage, including Scottish Celebrations and learning about other cultures through a variety of topics and citizenship ventures. We have developed links with Vision Africa and sponsor a child in Kenya.

The ethos in our school strongly reflects the aims of Curriculum for Excellence, ensuring children have the capacity to be successful, responsible, effective and confident.

Our school has a strong sense of community. We participate in all community events such as The St Monans Sea Queen, The Community Arts Festival and many other events. We like our children to explore the world around them and ensure they are exposed to a variety of stimulating learning experiences which will help them develop skills for life.

Through consultation with staff, pupils and parents in 2014 we have summarised our core values of a school which include;

Achievement Fairness Ambition Responsibility Respect

We established our aims as the following;

We aim to ...

- **Create opportunities and experiences for all to 'be the best they can be' and develop ambition and skills for life.**
- **Create a healthy, stimulating environment where everyone feels happy, safe, valued and included.**
- **Promote global citizenship by working together as part of a wider community that shows respect, responsibility and values diversity.**

As a school community we work hard towards these aims for all our children.

BUILDING

The school building, opened in 1987, is of open plan design. The teaching areas are grouped round a central courtyard with a withdrawal room which is used for music, viewing television and quiet and noisy activities. There is also a spacious hall which doubles as a dining room. Our central courtyard is loved by the children and contains a summer house which is used by older pupils at breaks as a common room, variety of potting benches, fruit trees, a pond and a variety of flower beds which are maintained by the pupils.

The accommodation has been extended to provide a spacious P1/2 classroom with toilet and disabled toilet facilities.

Our large playground has recently been developed through the help of a lottery grant and a community fund grant. We now have a lovely trim trail which all children can use and a fenced off area which is used daily for cycling or special games. We have lovely picnic benches and a wealth of soft and hard imaginative toys which we store in our shed and can be taken out during lunch break.

We have free access to a large grassy common adjacent to the school which we use for sports and other activities.

We are very fortunate to have full wheelchair access and a disabled toilet in the main building.

Our Nursery building was opened in August 2008 and stands in its own playground opposite the school. It is extremely well equipped and provides excellent indoor and outdoor accommodation for our early years learners.

CONTACT DETAILS

Headteacher: Miss Nicola Wallace

Address: St Monans Primary School, Hope Place, ST MONANS, Fife KY10 2DH,

Telephone No: 01334 659441

Website: www.fifedirect.org.uk/stmonansps

Email: stmonansps.enquiries@fife.gov.uk

School Roll (P1-7): 87 pupils

Nursery Roll: 21

Other Information

We pride ourselves on our open door practice and urge all parents to contact us at the earliest opportunity with any question or issue to be raised. We believe that effective, positive communication is key to a happy school and that early intervention is crucial.

It is important to us that parents and children have a positive experience of school. If parents have any queries/concerns they can speak to us by:

- * phoning the school office (01334 659441) to make an appointment to see the Headteacher or the child's teacher
- * contacting the Headteacher on stmonansps.enquiries@fife.gov.uk
- * phoning the school office to speak to the headteacher
- * writing a note to your child's teacher or to the headteacher

All concerns are investigated by the class teacher or headteacher, depending on their nature.

Parents are always given feedback on how the concern is being addressed.

Any prospective parent who would like to learn more about the school are welcome to phone the office to make an appointment to meet with the headteacher who will give them a tour of the school and answer any questions arising.

NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with

them to sort out any further help, advice or support if they need it.

The Named Person for your child is Miss Nicola Wallace.

SCHOOL HOURS

Morning:	Infants:	09.00 - 12.35	P3 - P7:	09.00 - 12.35
Lunch:	Infants:	12.35 - 13.20	P3 - P7:	12.35 - 13.20
Afternoon:	Infants:	13.20 - 15.00	P3 - P7:	13.20 - 15.00
Interval:		10.40 - 10.55		
NURSERY HOURS:	Morning Session:			08.00 - 12.40
	Afternoon Session:			13.20 - 18.00

SCHOOL UNIFORM

At St Monans we actively encourage all pupils to wear school uniform. We believe it promotes inclusion and equality, provides safe, sensible attire for school and creates a positive impression of the school in the community and outwith St. Monans. Wearing suitable dress is also part of promoting a life skill where pupils are more aware of the need to dress appropriately.

The school uniform consists of a royal blue sweatshirt (white logo) and white polo shirt (royal blue logo) which can be purchased through the school. Girls wear navy, black or grey skirts; the boys wear navy, black or grey trousers. School jumpers, fleeces, jackets and gym bags complete with school logo are also available for purchase. In 2014-15 we adopted a further option of a school tie which can be purchased at school.

Sensible, dark footwear should be worn. We accept that some parents are happy for their children to wear trainers to school but would ask that these are black or brown please.

Every child should have a PE kit in school at all times which should include dark shorts and white tee-shirt. Joggers can also be worn. Children should have gym shoes or trainers for PE.

Parents eligible for assistance in purchasing school uniform should complete an application form which is available from the Local Office or online at www.fifedirect.gov.uk under 'School Clothing Grant'.

SCHOOL CLOTHING GRANT

We can provide free school meals and a school clothing grant of £100.00 per child if you are on a low income.

To qualify for free schools meals and school clothing grant you must be in receipt of one of the following:

- Income Support
- Job Seekers Allowance (Income Based)
- Employment and Support Allowance (Income Related)
- Child Tax Credit only with annual income below £16,105
- Child Tax Credit & Working Tax Credit with annual income below £6420
- Support under Part VI of the Immigration & Asylum Act 1999

- Universal Credit including those with a take home of pay of up to £610 per month
- Long Term Incapacity Benefit (school clothing grant only)
- Widows Allowance if not in full time employment (school clothing grant only)
- Child Tax Credit & Working Tax Credit with annual income below £69,00 (school clothing grant only)

If you don't meet this criteria but your child is in P1-3, they can still receive free school meals. Free school milk will only be given if the above criteria is met.

ENROLMENT

Children who reach the age of 5 on or before 17 August 2020, must normally start school in August 2020. Children who reach the age of 5 after August 2020, but before 29 February 2021, may also start school in August 2020, though parents are not obliged to send their children to school until the first entry date after their fifth birthday.

Parents of children in either of these categories are asked to enrol their child at their catchment school before Friday, 31 January 2020.

Choice of School

Parents have the right to make a placing request for the school they wish their child to attend. This applies whether the child is about to start school or whether he/she is already attending primary, secondary or additional support needs school. Parents wishing to send their child to a school other than the catchment school should apply to the school of their choice as soon as possible and, in any case, before 15 March 2020. Parents must also enrol their child at their catchment school to ensure a place is available if a placing request application is refused.

Headteachers must provide information to parents on how to make a placing request for the school of their choice. In the case of children starting school for the first time 'Choosing A School – A Guide for Parents' is available online at www.scotland.gov.uk. Individual school booklets will be provided by the Headteacher of individual schools and can be accessed online at www.fifedirect.org.uk. School catchment areas can be accessed online at www.fifedirect.org.uk/catchmentchecker

APPLYING FOR A NURSERY PLACE FOR YOUR CHILD

From August 2020 the number of funded hours of early learning and child care for all three and four year olds as well as eligible two year olds will almost double to 1140 hours a year. This will provide families with greater choice and flexibility over how their child care needs are met. In order to ensure every three and four year old child has a nursery place, every child attending nursery between August 2020 and July 2021 needs to submit an application to their preferred preschool setting/s between 6th and 31st January 2020.

Three and four year old intakes

What are my options for early learning and childcare?

Fife Council are providing the following three options in your local area.

1. Term time (38 weeks a year) – 5 days a week, Monday to Friday from 9:00am to 3:00pm.
2. Full Year (46 weeks a year) – 2 ½ days a week, Monday/Tuesday full days from 8:00am to 6:00pm, and Wednesday morning ½ day from 8:00am to 12:48pm or Wednesday afternoon ½ day from 1:12pm to 6:00pm, and Thursday/Friday full days from 8:00am to 6:00pm.
3. Full Year - (49 weeks a year) – ½ day sessions - Monday to Friday morning sessions from 8:00am to 12:40pm or Monday to Friday afternoon sessions from 1:20pm to 6:00pm.

You may also access your funded 1140 hours early learning and child care from a private

nursery or play group or childminder in partnership with Fife Council. It will also be possible to share hours between different early learning and child care providers.

Extended and wraparound early learning and childcare will also be available in some nurseries where there is capacity. You will be informed if this is available in your nursery once you have accepted a place for your child. You can then choose to pay for additional hours over and above your entitlement, where this service is available.

You are asked to provide five choices on your application form as some nurseries or session times may be oversubscribed. In the event we are unable to offer you your first choice, we will then look at your other nursery choices to see if we can offer you one of these.

An admissions policy is in place to ensure fairness when allocating places – this can be found at www.fife.gov.uk

Applications for Fife Council nurseries for three and four year olds must be received by the 31st January 2020 in order to be included in the process which allocates places for the following academic year. Late applications received on or after the 1st February 2020 will not be considered until after the full application process has taken place for this age group.

Applications for private nurseries, play group and childminders in partnership with Fife Council should be made directly with individual establishments and services.

Families with children who currently attend nursery and are due to return for their preschool year in August 2020 will be eligible for 1140 hours of funded early learning and child care. Therefore, families who wish for their child to attend a Fife Council nursery will be required to make a new application for their child in January 2020.

When should my child start nursery?

- Nursery intakes take place three times during the academic year. If your child was born between 01/03/2017 and 31/08/2017, they will be eligible to access funded ELC from August 2020.
- If your child was born between 01/09/2017 and 31/12/2017, they will be eligible to access funded ELC from January 2021.
- If your child was born between 01/01/2018 and 28/02/2018, they will be eligible to access funded ELC from April 2021.

Applications for any of the above intakes must be made in January 2020.

How to apply

Application forms are available from all Fife Council nurseries, local council offices or online at www.fife.gov.uk. Applications should be returned to your first choice nursery, along with any proof requested. Applications must be received by 31st January 2020 for any child who will be attending a Fife Council nursery between August 2020 and July 2021. You will be notified in April by the school or nursery to advise you of where you have been offered a place.

Two Year Old Intakes

Eligibility Criteria for 2-Year Olds

Your child can also access 1,140 hours of funded ELC in the term after their 2nd birthday if you meet one or more of the following criteria set by the Scottish Government.

- Income Support
- Job Seeker's Allowance
- State Pension Credit
- Any income related element of Employment and Support Allowance
- Incapacity or Severe Disablement Allowance
- Child Tax Credit (CTC), but not Working Tax Credit (WTC) and income is £16,105 or less
- Child Tax Credit (CTC) AND Working Tax Credit (WTC) and income is £7,320 or less
- Support under Part VI of the Immigration & Asylum Act 1999
- Universal Credit with household take-home pay of £610 a month or less

Funded ELC is also available if your child is 2 and is:

- Looked after by a local council.
- The subject of a kinship care order.
- The subject of a guardianship order.

Nursery intakes for eligible 2 year olds happen three times during the academic year.

- If your child is eligible and was born between 01/03/2018 and 31/08/2019, they will be eligible to access funded ELC from August 2020.
- If your child is eligible and was born between 01/09/2018 and 31/12/2018, they will be eligible to access funded ELC from January 2021.
- If your child is eligible and was born between 01/01/2019 and 28/02/2019, they will be eligible to access funded ELC from April 2021.

Applications for two year old places can be made a maximum of two months before a child's anticipated start date. Application forms are available from all Fife Council nurseries, local council offices or online at www.fife.gov.uk.

SCHOOL YEAR 2020-2021

Term	Start Date	End Date
Autumn	Monday 17 August 2020 (teachers) Wednesday 19 August 2020 (pupils)	Friday 09 October 2020 (40 teacher; 38 pupil days)
Winter	Monday 26 October 2020	Tuesday 22 December 2020 (42 teacher; 41 pupil days)
Spring	Wednesday 06 January 2021	Friday 26 March 2021 (56 teacher; 55 pupil days)
Summer	Monday 12 April 2021	Thursday 01 July 2021 (57 teacher; 56 pupil days)

The above pattern provides for 190 school days, once the holidays and 5 in service days for teachers are deducted.

Holiday	Start Date	End Date
Autumn	Monday 12 October 2020	Friday 23 October 2020
Christmas	Wednesday 23 December 2020	Tuesday 05 January 2021
February	Thursday 18 February 2021	Friday 19 February 2021
Spring	Monday 29 March 2021	Friday 09 April 2021
May Day	Monday 03 May 2021	
June	Monday 07 June 2021	
Summer	Friday 02 July 2021	Friday 13 August 2021 (teachers) Tuesday 17 August 2020 (pupils)

In Service Days
<ul style="list-style-type: none"> • Monday 17 August 2020 • Tuesday 18 August 2020 • Friday 13 November 2020 • Wednesday 17 February 2021 • Thursday 06 June 2021

SCHOOL MEALS AND MILK

School meals are provided in all primary schools and meet the Scottish Nutritional Standards.

Meals are provided free of charge for all pupils in Primaries 1 – 3.

Your child can select two courses from:

Home Made Soup or Daily Dessert or Fresh Fruit

Plus

The Hot Dish of the Day or Filled Baked Potato or Salad

Plus

A Glass of Milk or Water And Unlimited Bread and Salad

The current cost of a school meal is £2.20 (from 1st April 2019 to 31 March 2020).

Money for school meals is collected in advance, daily or weekly.

SPECIFIC DIETARY REQUIREMENTS

Fife Council is committed to providing a school meal service to all pupils who require them and will provide a specialised dietary service for certain children through discussion between the child, parent/guardian, and the school. Special diets will be provided on the basis of

- Religious requirements
- Cultural/ethical reasons
- Therapeutic diets will be provided on the basis of Medical conditions (as recommended by a doctor or dietician.)

It is not possible to meet individual requests for diet unless they are based on the reasons above.

If the child is known to have an allergy to nuts/nut products then our Allergies – Policies/Guidelines should be read in conjunction with this policy.

SCHOOL MILK

Fresh chilled milk is available in all Primary Schools, and currently costs 24p per carton (from 1st April 2019 to 31 March 2020).

Milk is supplied to all children in primary. Money for milk is collected in advance by term.

WATER IN SCHOOLS SCHEME

All pupils have access to chilled water throughout the school day.

HEALTHY TUCK SHOP INITIATIVE

A healthy tuck shop can help encourage children to adopt good eating habits. Therefore as part of the whole school approach to food schools are being encouraged to establish healthy tuck shops within their schools. The Food in Schools group has developed a Healthy tuck shop/Vending policy which gives schools guidance on suitable products for inclusion in a healthy tuck shop initiative.

CURRICULUM

Fife schools follow Curriculum for Excellence, a national framework which is providing our children with learning experiences and opportunities to prepare them for learning, life and work in a changing world. Children learn actively in eight different curricular areas following a curriculum designed by each school to reflect their particular needs and circumstances.

All schools follow the same principles in designing the curriculum, aimed at ensuring that children have the experiences and opportunities to become –

- Successful Learners
- Confident Individuals
- Effective Contributors
- Responsible Citizens

Literacy, numeracy and health and wellbeing are addressed throughout the curriculum and children's wider achievements are fully recognised and celebrated, reflecting the value given to wider learning and children's experiences out of school.

Children are fully consulted throughout their learning and in decisions about what they learn and how they learn it. There are opportunities throughout the school year for parents to receive information and be consulted upon the curriculum children are following, particularly in relation to more sensitive aspects of learning.

Religious and moral education is a core subject for all pupils attending primary and secondary schools in Scotland. Schools also provide opportunities for religious observance in order to promote the spiritual development of the school community. Parents can choose to withdraw their children from participation in religious education or religious observance. Parents wishing to do this should contact the headteacher. The school will make arrangements for pupils to participate in a suitable alternative activity.

Further information about the curriculum is available on the school website, and more general information regarding Curriculum for Excellence can be found at Parentzone (<http://www.educationscotland.gov.uk/parentzone>), a national resource developed by Education Scotland on behalf of the Scottish Government.

At St Monans we ensure our learners benefit from a broad general education by using a variety of real life, relevant and meaningful contexts for learning. We ensure all learners are supported to improve standards of attainment and achievement and offer personalisation and choice wherever possible.

With the help of a range of partners we strive to ensure our learners have a curriculum which helps them develop the four capacities identified and equips them adequately with core life skills including a good grounding in literacy, numeracy and health and wellbeing skills and knowledge.

Our partners involve members of our local community who engage with the school in teaching the children about horticulture and keeping our village beautiful. Last year our village won a Gold award for Beautiful Fife and a Silver award for Beautiful Scotland and a special award for best coastal village in Scotland. Our pupils featured heavily in the evidence put forward

for all awards. We also have linked with St. Andrews University, local colleges, RSPCA, our local Community Arts Festival, The local Sea Queen Committee, Botanic Gardens, Fife Libraries, the local church, our community council, Vision Africa and countless other organisations to help us deliver themes of citizenship, literacy, numeracy, health and wellbeing and other areas of the curriculum. Our curriculum has evolved to include more and more outdoor learning which can bring learning to life through a broader sensory experience.

Our curriculum is also enhanced by a range of lunch time and after school clubs which presently include a running club, multi sports clubs, football and choir. Our choir sings regularly, last year we won the cluster Last Choir Standing Competition and sang for the Community Arts Festival and St. Monans Women's Guild. We strongly value the expressive arts and every child has had the opportunity to learn the ukulele and every child has the opportunity to perform in our school concerts in our Town Hall at Christmas which has become a highlight of the year. Cooking is becoming embedded in our curriculum as a motivating context for learning about our world as well as developing life skills and improving health and wellbeing.

ASSESSMENT AND REPORTING

Assessment

Broadly, across Fife primary schools two forms of assessment are used to support your child's development:

Summative assessment- which focuses on measuring current performance in terms of how successful the learner has been measured against national benchmarks, and formative assessment which gathers information about pupils' learning which is then used to help plan next steps in learning. Both types of assessment help teachers improve their teaching and the support they give to their pupils.

Summative assessment takes the form of standardised classroom based tests which measure how well your child is performing for their age and stage. Their purpose is not to compare your child with others but to provide the school with information to ensure that your child's learning needs are being addressed.

Formative Assessment is an integral part of your child's day to day learning and provides a range of information to support your child in moving their learning forward. This less formal assessment takes many forms including observing children's engagement in classroom tasks and providing individual feedback to pupils to support them in identifying their own next steps in learning.

Broadly in Fife Primary Schools two forms of assessment are used to support pupil development.

Summative assessment focuses on measuring current performance against national benchmarks. These include standardised classroom based tests which measure how well a child is performing for their age and stage. Currently we use Assessment for Excellence computerised tests in P1, 3, 5 and 7 . We also use a range of material to summatively assess performance.

Formative assessment is key to daily learning in school and provides a range of information on learners. Although a less formal form of assessment it provides vital information through a range of features. These include sharing learning intentions and success criteria, identifying next steps, quality questioning, feedback and self and peer assessment. Daily observations are used to plan for experiences and skill building for each child.

Reporting

In all Fife schools teachers' reports about each pupil's learning play an important part in providing useful feedback about learning, for parents and carers and for other teachers and adults concerned with the young person's learning, progress and achievements.

Effective, constructive feedback to parents should be clear, positive, specific, supportive and give an honest appraisal of pupils' progress. Feedback will be provided for parents at parents' meetings and in formal written reports. Formal written reports will be based on the personal learning planning and informal records that have been shared with pupils and parents regularly throughout the year. Reports provide an overall summary of progress, achievements and next steps in learning in line with Curriculum for Excellence.

Within our school we make use of learning logs to share targets, learning experiences and achievement. These go home at least once a term and are available for parents at any time. Last session we developed a learning log policy to ensure we meet the needs of learners.

Information on how your child is progressing is also available in October and April Parent meetings. More informally work is shared through open afternoons and achievements are shared through shows and assemblies. In line with all Fife Schools we provide formal written reports which provide an overall summary of progress, achievement and next steps in learning in line with Curriculum for Excellence.

INSTRUMENTAL INSTRUCTION

Children who show musical promise may qualify for instrumental instruction. The types of instrument offered by Fife Education and Children's Services are violin, viola, cello, double bass, clarsach, woodwind, brass, piano/keyboard, bass guitar, guitar, percussion, chanter and pipe band drumming. The type of instrument available differs from school to school and generally only one type will be available to children in a school.

There is a charge for tuition. The rate may be subject to change, but the current rate would be notified at the time of interview. This may be paid in instalments or by Direct Debit and concessions may be available.

Please tell the Headteacher if you do not wish your child to be considered for instrumental instruction.

ATTENDANCE

If your child is enrolled in school, you are legally obliged to send your child to school on a regular basis. To prevent any misunderstanding, please contact the school immediately if your child is not able to attend. Please send an explanatory note with your child when he/she returns to school; otherwise the absence will be recorded as unauthorised.

In occurrences of long term illness it may be possible for instruction to be given at home on a part-time basis.

HEALTH CARE

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

School Nursing Service

Each school has access to the school nursing service. If you wish to contact your School Nurse please speak to your school.

School Based Immunisation Programmes

All pupils will be offered to participate in The Scottish School Based Immunisation Programme that is led by Fife Health & Social Care Partnership in partnership with education.

Parents will be notified and invited to participate by the Centralised Immunisation Team when the age appropriate immunisation programme is to take place within their child's school.

CHILD PROTECTION

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Miss Nicola Wallace) who will deal with all child protection issues and with whom any concerns can be discussed.

TRANSPORT

Our current policy offers free home-to-school transport to primary school children who attend their catchment area school and live more than one mile from it and to secondary school children who attend their catchment area school and live more than two miles from it. Distances are measured by the shortest available walking route for an accompanied child. However, if you choose a school other than your catchment area school, the Council will not provide any assistance with the cost of transport.

SUPPORT FOR PUPILS

Some children require additional support to make progress in school. Such support takes a range of forms – extra consideration by their class teacher, use of IT to support learning, support from a Pupil Support Assistant, time with a support teacher and in a few cases an alternative placement to, for example an additional support needs class. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child's progress and think he or she might have additional support needs you can either raise this with school staff at a parent's evening or make an appointment to discuss this at another time. School staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher of the school.

Each class teacher will ensure learning needs are met in their class and be aware of any concerns about a pupil's wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child's school. Further information may also be available from the school's link Educational Psychologist and the Learning Support Teacher.

The Additional Support for Learning Act

If you are concerned that your child/young person has additional support needs you can request, by writing to your school, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the school, it may be helpful to involve an educational psychologist or education officer. The school may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at Alistair.Haldane@fife.gov.uk or on 03451 555 555 Ext 444224.

Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – info@enquire.org.uk
- two websites– www.enquire.org.uk (for parents/carers and practitioners) and www.enquire.org.uk/yp (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

Let’s Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Let’s Talk can be contacted at letstalkasn@edlaw.org.uk or at 0141 445 1955.

Children and young people can also exercise their own rights to access an assessment of their additional support needs, access advocacy and support to resolve disagreements with their school or the education authority. To access this support, the child or parent can contact My Rights, My Say to make a referral, email help@myrightmysay.scot To find out more about the children’s service by contacting our helpline on 0345 123 2303.

EQUAL OPPORTUNITIES

Fife Council’s schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

PARENTAL INVOLVEMENT

Parental Involvement is actively encouraged at St. Monans as we strongly believe parents are an integral part of our community and effective partnership working is key to improvement for our learners. We want every parent to feel welcome in our school and feel they have something they can offer to support the school. Research has indicated strongly that where parents are actively involved in their child's school the outcomes for those children can be greatly improved.

Parents are presently working with the school on the following; working with the parent council/ after school clubs/ parent groups held in school/ helping at events / accompanying our pupils on trips / running our healthy tuck shop / running gardening clubs / acting as representatives on our Rights Respecting Schools, Eco and Health Groups / attending Big Choose time in class once a month / attending a variety of school events and open afternoons / responding to questionnaires / attending assemblies / supporting home - school tasks / attending parent evenings / attending workshops and information events / helping with productions and shows / sharing knowledge or expertise on their occupations or trips related to topics studied / helping in classrooms as helpers / utilising our open door policy to discuss issues with the head teacher.

For most activities a full PVG will not be required as parents will always be with a member of staff. However the school will support PVG applications as necessary and appropriate.

THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER

On completion of primary education the normal arrangement is for children to transfer to the catchment secondary school associated with their home address. However parents can make a placing request to attend a secondary school other than the catchment school and further information on how to do this is available in the booklet, Choosing a school – a guide for parents, which is available online at www.scotland.gov.uk/Publications/2010/11/10093528/0

DEFERRED ENTRY TO PRIMARY SCHOOL

Currently children with January or February birthdays are entitled to a further year of funded nursery education at parental request within a local authority or a Partner Provider nursery.

Parents of children who are 5 after the start date of the new school session and on or before the 31 December are not entitled but can request a discretionary additional year in nursery for their child. Requests are not always approved. Decisions on deferred entry requests are made by Education Managers based on information provided to them including assessment by the Headteacher and staff of the nursery, and at times the link educational psychologist.

A deferred entry to school has significant implications for any child and these decisions are not taken lightly. There needs to be careful consideration of how a child's needs can be best met, with full knowledge of the support that can be provided within a nursery setting, a mainstream primary school or a more specialist provision. If a school deferral is considered to be in a child's best interest, existing resources are used to accommodate the additional year within a Fife Council nursery.

Parents should speak with their nursery Headteacher if they have any concerns about their child starting school or should they wish to find out more about deferred entry to school. Further information on deferred entry can be found on Fife Direct.

SCHOOL IMPROVEMENT

The key achievements of the school within the last 12 months are found within our Standards and Quality Report, a full copy of which can be obtained from the school office. Every parent receives a summarised copy of this which is also available in school. This includes a summary of improvements and priorities from our improvement plan.

Last session we enjoyed many successes including our boy's team winning first place in the Haddies 1k cluster race. Our boys also achieved joint first in the cluster 400m by 4 relay in St. Andrews. Our choir won the cluster Last Choir Standing Award and we gained second level status for our Rights Respecting Schools Award. We were particularly proud of the standard of our pantomime which was enjoyed by the whole community and was covered so well in the local press. We have made significant improvements to our playground which was done through work with our pupil council in consultation with all children. We had a particularly successful science week and performed a range of presentations for our Community Arts Festival, our Sea Queen Festival, Our Scottish Afternoon, our Harvest Festival and our very successful community Party in the Playground.

SCHOOL POLICIES

For more information about Fife Education and Learning policies please go to www.fifedirect.org.uk/keypolicies

The following school policies are available and can be accessed by contacting the school or via the school website:

- If you require any particular policies from the school, please contact the school directly as many are being revisited this session through consultation.

Assessment	Positive behaviour	Anti Bullying
Homework	Support for Learning	
Child Protection	Learning and Teaching	Curriculum for Excellence
Rationale		

DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil's attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at education.data@fife.gov.uk

Personal data **will not** be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council's registration under the Data Protection Act 1998.

WANT MORE INFORMATION?

Further information on Fife Council's use of data and the Data Protection Act 1998 can be found on Fife Council's website www.fifedirect.org.uk

SEVERE WEATHER CONDITIONS

Unless specifically advised, schools will remain open during periods of severe weather. It is vital that parents/carers ensure that schools have the means to contact them should this position change. Decisions to close will be made as early as possible.

To be kept up to date with closure information:

1. **By text or email through Fife Direct** – Notification of a school closure is done by schools through Fife Direct. To sign up to receive text or email alerts, please enter your contact details via www.fifedirect.org.uk/alerts, click on Alerts and under Alert Services click on [join fifedirect](#).
2. **By text or email through your school** – Make sure that you have given your up to date mobile number and email address details to the school so that they can contact you via Groupcall. These messages will provide supplementary information to the above.
3. **Visit** www.fifedirect.org.uk/closures. Also, check the website of your own school.
4. **Follow-us** on [facebook.com/fifecouncil](https://www.facebook.com/fifecouncil) and twitter.com/fifecouncil.
5. **Listen** to Kingdom FM, Forth One and Tay FM.
6. **Check TV** on Sky channel 539, press red or Virgin channel 233, press red.

Please note: If your child moves school or attends more than one establishment, you should amend the school details on your account in Fife Direct to ensure you receive information from the correct school.

Schools also circulate severe weather information for parents and carers at the start of the winter term. This may be added to their websites, shared through email or text messages and/or distributed via school bag mail drop.
