

Session 2023- 2024 Raising Attainment Plan – PEF Plan

STRATHKINNESS PRIMARY		TOTAL PEF: £5403	
Attainment Fund Rationale To support pupils who have barriers to learning.		Amount of Fund: £5403	
<p>We have an identified group of pupils who are experiencing dysregulated behaviours due to trauma and social anxiety. This leaves them in a distressed state that impacts on their readiness to learn. In addition, we have two pupils who are Care Experienced that are under attaining for their age and stage due to low confidence and lack of engagement in learning at home. Additional Pupil Support time is required to provide 1-1 and small group support to improve confidence, resilience and social skills in main group as well as support learning for 2 CE pupils. The school community is generally an affluent area but a small number of pupils experience relative poverty and the cost of the school day can have a negative impact on their learning experiences.</p>
