

**Fife LfS
Learner Entitlement**

...have meaningful and relevant daily learning experiences across the four contexts for learning.

...have the chance to learn, explore and develop a range of progressive skills outdoors throughout the year.

...have opportunities to develop informed views and opinions and share these respectfully.

...value and celebrate Scotland's diverse cultures and heritage and challenge discrimination and prejudice.

...be motivated to raise awareness of local and global issues and recognise the potential impact these will have on their future life and work.

...have opportunities to participate and lead decision-making and planning to bring about positive and fair change.

...care about themselves, other people, and the impact their actions have on the world now and in the future.

...work together to continually make their school and community more sustainable.

...contribute to community life, making connections and linking learning to real-life.
