

On TRACK to a bright future.

# Our Digital Charter

On TRACK to a bright future.

Tayport digital citizens are **ready** when they...

- can log on to a computer independently
- know how to use computer hardware correctly
- Follow instructions and use the correct apps.

Created by Digi-stars- May 2023

Tayport digital citizens are **respectful** when they...

- are being kind to others online
- put away digital equipment properly for the next person
- handle equipment carefully by being gentle and carrying it with two hands.

Tayport digital citizens are **safe** when they...

- keep personal information private online
- don't share passwords
- play age appropriate games
- have a reasonable amount of screen time per day.
