

Our children have had a very busy month! They learned Scottish Dancing in the gym and tasted shortbread - yum! Scottish Stories – Katie Morag and Hairy McClairey were enjoyed by all. The Scottish poem “saucy jean” was learned and recited at the school in front of our P1-3 classes. Chinese New Year began on Saturday 10 February and the children helped create a display to celebrate the Year of the Dragon and had some fortune cookies.

Our Learning Wall is about “people who help us” covering all areas of the curriculum. We would like to encourage any parent or carer who would like to come into nursery to speak about what they do, to please let a member of staff know.
