## OUR VALUES

**Responsibility** - We are responsible for our learning. We are respectful. We build trust in ourselves & others.

**Achieving** - We never give up. We make progress and know our next steps. We are proud of our achievements and inspire others.

**Connecting** - We make connections in our learning. We connect and learn in our community. We collaborate to improve.

**Kindness** - We are kind to ourselves, others, and our environment. We care and share with others. We make our school a place where we all belong.

## Focused improvement priorities for 2023-24:

**Priority 1:** To ensure all learners feel nurtured and included in our school.

**Priority 2:** To improve writing attainment

**Priority 3:** To improve our curriculum through increased parental engagement There

**Planned next steps for 2024-25:** To continue to embed the principles of being a Rights Aware school and have teachers and pupils leading improvement across the school. To merge our current data gathering from class spreadsheets and trams with the new tracking system "progress".

The robustness and range of universal strategies used throughout the school needs to be reviewed. For all staff to take forward Tayport's writing policy, including updated spelling progression. Agreeing a manageable and consistent approach to whole school sharing learning which also reduces the number of ways we communicate. Continue to offer a balanced calendar of family events and embed the silver reading accreditation processes.

## Improvement Priorities for 2024-25

**Priority 1:** To support all our children to make good progress in their learning through proactively promoting a Rights Aware approach throughout school where equality, diversity and inclusion are actively promoted.

**Priority 2:** Plan a progressive curriculum for all children across 8 curriculum areas ensuring that all children receive their entitlement to a broad general education.
