

PARENTS, CARERS AND GUARDIANS Information from Tayport Parish Church
24 November 2025

Welcome to Leuchars St Athernase and Tayport Parish Church. We are delighted to be partnering with Tayport Primary School in providing our sanctuary space for “Christmas Cheer”

We are keen for as many parents and carers as possible to attend, but we do have a seated capacity of 196 Adults for this event and we are therefore limited to one adult per family.

Entry is through the front door only **from 9am**.

Please note when you are invited into the church you will be directed to the East and West wings of the church. You are **requested to follow Fire Stewards (in yellow bibs) instructions** in regard to seating in these areas. You will be directed to the far side of the pew to occupy the seats filling up from the far side.

There will be **no standing permissible** in access/egress areas, for example, at the rear of the west and east wing pews.

Toilets are available through the door near the piano. Pass through both doors and turn left, heading to the rear exit. Before reaching the rear exit turn right and follow the signs.

Prams can be left under cover at the rear entrance of the hall. Please ensure that the exit is left clear for fire evacuation purposes. Leaving prams at this location is entirely at your own discretion and the church will not accept any liability for loss of items or damage.

It is imperative that you follow the directions of the fire stewards for health and safety reasons, enjoyment of others and avoiding delays to the service.

Please note that both East (20 seats) and West Wings (18 seats) have areas of poor sight lines.

The Fire Assembly point for the School and adults will be the lower playground located in the school.

Fire Stewards will direct you to use fire exit doors at the end of the service, once the children and teachers have left.
