

Seesaw Online Learning

The Seesaw app will be used across the school to support learning and daily communication between home and school.

Teachers will provide daily tasks relating to Literacy, Maths and one other area of the curriculum for their class.

Within the Seesaw app, children have the opportunity to share their learning with their teacher and receive feedback.

Health and Well-being

ICT Support

Learning without ICT Support

Cosmic Kids Yoga Search on YouTube

Yoga and Mindfulness

Emotions

- Reply to a letter from a Primary 6 who is worried about going to a new school. Offer them advice and show empathy.

Just Dance Search for Just Dance Activities on YouTube

Healthy Eating

Home Learning Activities: Primary 7

Here is a summary of some super activities and websites to support home learning.

Essential Communication

	Please ensure your contact information is up to date to enable most effective communication	
	Email: torryburnps.enquiries@fife.gov.uk	
	School Website Please use the school website for up-to-date information	
Media		Facebook Torryburn Primary School and Nursery Page Look out for updated information
		Fife Council @FifeCouncil Latest Updates
		Twitter Please follow us at Torryburnps1. We use Twitter to showcase our learning with the wider community

Sumdog

Sumdog is an online maths and spelling practice tool that can be used to support learning at home. It can be used to:

- Practise skills taught in school
- Reduce isolation as children can play alongside their classmates
- Help children stay engaged and motivated through games-based learning that rewards accuracy

Further information can be found here...
