Pick-up and Drop-offs – Staying Safe

I have received a few concerns lately from parents and community members regarding safety issues at pick-up and drop-off times. Can everyone please take extra care when parking at or near the school. Please only park within marked bays. We would encourage where possible to park and stride – parking away from school and walking along to pick-up or drop-off your child. Please be mindful of our neighbours and ensure that there is access to their drives and properties

Absences

Please remember to contact the school office if your child is going to be absent from school. We have had a number of cases recently where we have not been able to make contact with the families regarding their child being absent from school. Unknown absences are a big concern and also become time consuming for our office staff. Please inform us as close to 9am as possible phoning 01383 602437, using the Parent Portal or emailing torryburnps.enquiries@fife.gov.uk.

Please also let us know if you change your phone number so we can update our records.
