

A few wee updates ...

School Photos

We have managed to book Jim Payne to take our school photos.

Jim will be in school to take photos next week on **Thursday 19 and Friday 20 May**.

There will be no PE or outdoor learning on these days as pupils will need to be in school uniform. As the photographer will be in school over the 2 days we would ask that children come dressed smartly on both days as pupils will be called for –

- Individual photos (school and nursery)
- P1 class photo
- P7 class photo
- Family group photos (school and nursery)

Please see the information below from Jim Payne

- Photography will include headshots of each pupil as well as P1 and P7 class groups, family groups can also be taken.
- I am currently working with online company to confirm costs but essentially prices from as little as £6.50 for a 6x4 print not including postage.
- Each pupil will have a unique QR code, so parents can log on to see the photos. Parents can only see their own childrens' photos.

There will be a cut off time for orders which will be confirmed through school communications.
