Headteacher: Mrs K Miller

Dear Parent/Carer,

Dunfermline Learning Campus

You will be aware that the Dunfermline Learning Campus (DLC) construction is currently underway. The DLC will bring together pupils, students and staff from St Columba's RC High School, Woodmill High School and Fife College in modern, fit for purpose and low carbon facilities.

All Cluster Primary Schools within the Woodmill catchment are working hard together to ensure that transition into the Dunfermline Learning Campus is well planned with pupils and parents at the centre.

In order to achieve this aim, we will be regularly sharing information updates with our families prior to the grand opening of the campus in August 2024.

Over this session and next, pupils at Primary 5, 6 and 7 will have opportunities to be involved in a range of cluster activities designed to support their transition.

I am pleased to include the following link which allows pupils and parents to see drone footage of the site as it currently looks and shares lots of other information and updates regarding the build.

www.fife.gov.uk/dlc

Should you have any questions regarding the transition or the DLC, please do not hesitate to contact the school.

Kind Regards

A handwritten signature in cursive script that reads "K Miller".
