Primary Five Family Learning Grid – Term 1

The tasks on each home learning grid are designed to cover a variety of curricular areas and important life skills as well as making connections with the United Nations Convention on the Rights of the Child. The UNCRC promotes children's rights including the right to education, family guidance and rest, play, culture and arts. **Completing at least one task a week** allows children the opportunity to make links between these rights at school and at home.
