

Term 1 Presentation Homework

All About Me!

Your task for term 1 is to create a presentation about you!

I expect to see your information displayed in a creative way - think about:

- What materials you will need?
- What are you going to do in class?
- What is it going to look like?
- What size are you going to make it?
- How will you engage your audience?

Ideas and questions to help:

- Name and age
- P1 and P7 - now and then
- Introduce yourself
- Significant people and pets
- Amazing places you have visited
- Important things that have happened to you
- Favourite things - stories, films, animals, toys etc.
- Hobbies or special interests
- What job do you want to do when you are older?

Top Tips:

1. Keep it simple and do a little at a time. Don't wait until the last minute.
3. Think about how to keep your audience listening and engaged.
4. Your presentation should be between 2 - 3 minutes.
5. Remember to practice before and have cue cards to help you.
6. Don't read from the screen or a script.
7. Remember be creative, individual and have fun!

DUE DATE:

Monday 5th October 2026
