

There are lots of things you can do at home to help your child prepare for starting nursery

Encourage independence when washing hands and blowing nose.

Encourage your child to put on and take off their shoes.

Support them to fasten buttons, zips and toggles.

Provide opportunities for socialising with other children.

#### Non-Attendance at Nursery

We would ask that you contact the nursery as soon as possible if your child is unable to attend nursery for any reason.

It is nursery policy for the office staff to contact parents/carers on the first day of their absence.

Nursery is fun.

We hope you and your child enjoy the time
