A warm welcome to our Open Studios event!

This is being held in October, instead of the usual May, due to the COVID outbreak.

This is a short guide to the event. While we do not have a brochure this year, you can find full details about all the participants plus directions to studios on our website www.openstudiosfife.com.

Most artists will welcome you to their studios, and many are offering a digital experience of their artwork, either as well as, or instead of a live event. You can see this work if you join our **Facebook group – Open Studios North Fife 2021**.

It is very important to check on their website page whether an artist's studio is open before visiting, especially as this might change at short notice due to COVID.

If you do visit a studio, everyone will make sure you are as safe as possible during the event. This may involve wearing masks and maintaining social distancing. There will be instructions at each studio.

With thanks to designer Richard Budd, Multipoint, Take One Media and Cunningham Grant Chartered Accountants.
