

Dear Parents,

In our recent survey, a few of the parents responding commented that they would like greater clarity about their child's homework expectations. In response to this, I am re-sending the information which is available on the class pages of the school website (see below). After reading this information, if you still have a query about your child's homework or if you need further information or help, please email me directly at lucy.jess@fife.gov.uk putting your child's name and homework in the subject line. I will deal with all requests in the first week back after the holidays. We all recognise that every family is different and a one size fits all approach to homework can't always work. I am very happy, therefore, to receive emails asking for help and advice. The class pages will be updated after the holidays and I will signpost you back to them through the weekly information when they have been.

Kind regards

Lucy Jess

Home Learning Arrangements – first shared on 27th August

Primary 1 – Mrs Steven

P1 children will not start bring learning tasks home until after the October holiday. We will update you when this will start. Mrs Steven might ask the children to bring something in to show the class as part of their topic work and you will get information about this through an email or Seesaw once its up and running.

Primary 2 – Mrs Lonie

P1 children will not start bring learning tasks home until after the October holiday. We will update you when this will start. P2 children will bring home a reading book regularly. Information about other tasks (e.g. Solo Talks or Poster making) will come via Groupcall email to begin with or through Seesaw once that it up and running.

Primary 3 – Miss Smith & Mrs Peter

Reading will come home twice a week in a folder with a reading diary. Once a steady routine is in place, Miss Smith will confirm which days to expect a book home and when to return it. A note of further ideas for home learning will come in the reading folder or can be accessed here: [Primary 3 Term 1 Homework](#)

Primary 4 – Mrs Dyer

A Reading Book and a Task will come home each Monday to be returned by the Thursday. Mrs Dyer will send a note of further ideas for learning at home in the reading folder. She will be setting up a class Teams page on GLOW and will support the children to be able to access this independently at which point they will be encouraged to log on from home and use this for electronic communication with school as part of our contingency planning and their learning in Digital Literacy.

Primary 5 – Miss Carroll

Children will bring home a folder with Reading, Spelling and Tables Practice activities – please look out for this in their bags. Miss Carroll will be setting up a class Teams page on GLOW and will support the children to be able to access this independently at which point they will be encouraged to log on from home and use

this for electronic communication with school as part of our contingency planning and their learning in Digital Literacy.

Primary 6 – Ms MacLean

Homework will be set on Teams through GLOW each Monday. All children know their log in details and are able to get access at school but if you experience any difficulties at home (or if your child tells you they don't have homework or don't know their password) please contact us as soon as possible so that we can help. Homework will typically be reading, spelling and/or maths.

Primary 7 – Miss Thomson

Homework will be set on Teams through GLOW each Monday. All children know their log in details and are able to get access at school but if you experience any difficulties at home (or if your child tells you they don't have homework or don't know their password) please contact us as soon as possible so that we can help. Homework will typically be reading, spelling and/or maths.
